

WESTERN RESERVE COMMUNICATIONS, LLC
TELECOMMUNICATIONS TARIFF

SECTION INDEX

SECTION 1:	N11 SERVICE
SECTION 2:	UNIVERSAL EMERGENCY TELEPHONE NUMBER SERVICE – 9-1-1
SECTION 3:	INTRALATA PRESUBSCRIPTION

N11 SERVICE
211 SERVICE FOR INFORMATION AND REFERRAL SERVICES

A. GENERAL

1. In Order No. 93-1799-TP-COI, the Public Utilities Commission of Ohio ("P.U.C.O.") locally assigned the three digit 211 abbreviated dialing code to the Approved Information and Referral Service Provider for use in providing community information and referral services to the public by way of voice grade facilities. The P.U.C.O. ordered incumbent local exchange carriers in each local calling area to make the 211 abbreviated dialing code available to the Approved Information and Referral Service Provider as a tariffed, local calling area based service (the "211 Service").
2. The 211 Service allows a Company subscriber to access an Approved Information and Referral Service Provider call center by dialing only the 211 abbreviated dialing code. Subject to other terms and conditions of this Tariff, Company subscribers shall be able to make and the Approved Information and Referral Service Provider shall be able to receive calls using the 211 Service as part of their local exchange services. The 211 Service is supplemental to and is not a replacement for either party's local exchange service.
3. All 211 abbreviated dialing code calls shall be local in nature and shall not result in any expanded local calling area ("ELCA"), intraLATA toll, interLATA long distance or pay-per-call charges to Company subscribers. However, 211 Service calls may result in local measured service charges where Company subscribers' service plans include such charges as part of home and EAS exchange calling.
4. The 211 Service is not available for the following classes of service:
 - a. Hotel/motel/hospital service
 - b. Inmate service
 - c. 1+ and 0+ calling
 - d. O-operator assisted calling
 - e. 101XXXXX calling

B. OBLIGATIONS OF THE APPROVED INFORMATION AND REFERRAL SERVICE PROVIDER

1. The Approved Information and Referral Service Provider shall make written application for 211 Service to the Company at the local exchange level. The Approved Information and Referral Service Provider may establish 211 Service in all, part or none of the Company's local exchanges.

N11 SERVICE (Continued)

211 SERVICE FOR INFORMATION AND REFERRAL SERVICES (Continued)

B. OBLIGATIONS OF THE APPROVED INFORMATION AND REFERRAL SERVICE PROVIDER (Continued)

2. The Approved Information and Referral Service Provider's written application to establish 211 Service in a Company local exchange shall include the following:
 - a. The local, foreign exchange or toll free telephone number into which the Company is to translate the dialed 211 abbreviated code. If the Approved Information and Referral Service Provider desires to change the telephone number into which the 211 abbreviated dialing code is translated in an exchange, then the Approved Information and Referral Service Provider shall make a new application.
 - b. A location description of the Approved Information and Referral Service Provider call center where 211 calls made from the Company local exchange will be routed.
 - c. For network sizing and protection, an estimate of annual call volumes, the expected busy hour and holding time for each call to the 211 Service.
 - d. An acknowledgment of the possibility that the Commission's assignment of the 211 abbreviated dialing code may be recalled at any time.
3. Local Calling for Company Subscribers
 - a. The Company, in cooperation with the Approved Information and Referral Service Provider, shall assure that all 211 Service calls are local in nature and do not generate ELCA, intraLATA toll, interLATA long distance or pay-per-call charges for Company subscribers.
 - b. When the Approved Information and Referral Service Provider makes application for 211 Service in a Company local exchange, the Approved Information and Referral Service Provider shall supply the Company with a seven (7) or ten (10) digit telephone number that terminates within the Company local exchange or one of the local exchange's EAS exchanges. The Company's exchange facilities will translate the dialed 211 dialing code into the telephone number the Approved Information and Referral Service Provider provides once 211 Service is established in the local exchange.

N11 SERVICE (Continued)
211 SERVICE FOR INFORMATION AND REFERRAL SERVICES (Continued)

B. OBLIGATIONS OF THE APPROVED INFORMATION AND REFERRAL SERVICE PROVIDER (Continued)

3. Local Calling for Company Subscribers (Continued)
 - c. When the Approved Information and Referral Service Provider makes application for 211 Service in a Company local exchange and an Approved Information and Referral Service Provider call center is not located within the local exchange or one of the local exchange's EAS exchanges, then the Approved Information and Referral Service Provider shall establish foreign exchange service or supply the Company with a toll free telephone number so that Company subscribers' 211 Service calls remain local in nature.
4. The Approved Information and Referral Service Provider shall develop an appropriate method for responding to 211 calls directed to it out of confusion or in error by Company subscribers.
5. The Approved Information and Referral Service Provider must be prepared to receive all calls to the 211 Service during normal business hours. To this end, the Approved Information and Referral Service Provider agrees to subscribe to termination facilities and lines in sufficient quantities to provide adequate service to the public.
6. The 211 Service is provided on the condition that the Approved Information and Referral Service Provider subscribes to termination facilities and lines in sufficient quantities to adequately handle calls to the 211 Service without interfering with or impairing any service offered by the Company. For each line subscribed to by the Approved Information and Referral Service Provider, there will be one path available.
7. The Approved Information and Referral Service Provider shall comply with all present and future rules pertaining to abbreviated dialing codes adopted by the Federal Communications Commission, in rulemaking proceeding CC Docket No. 92-105, CC Docket No. 00-256, and otherwise, including any and all requirements to relinquish the 211 abbreviated dialing code in the event of a national assignment contrary to that made by the P.U.C.O.
8. The Approved Information and Referral Service Provider is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases and all other rights from all persons whose work, statements or performances are used in connection with the 211 Service, and from all holders of copyrights, trademarks and patents used in connection with the said service.

N11 SERVICE (Continued)
211 SERVICE FOR INFORMATION AND REFERRAL SERVICES (Continued)

B. OBLIGATIONS OF THE APPROVED INFORMATION AND REFERRAL SERVICE PROVIDER (Continued)

9. If requested by the Company, the Approved Information and Referral Service Provider shall assist the Company in responding to complaints made to the Company concerning the 211 Service.
10. The Approved Information and Referral Service Provider shall not promote the 211 Service with the use of an autodialer or broadcasting of tones that dial the 211 abbreviated dialing code.
11. The Company can only make 211 Service available to end users located in Company local exchanges. To establish 211 calling to end users in non-Company local exchanges, the Approved Information and Referral Service Provider must make appropriate arrangements with the companies serving those local exchanges, even where Company subscribers may make local calls to the non-Company local exchanges.
12. The Approved Information and Referral Service Provider should work separately with competitive local exchange carriers ("CLEC") operating and serving customers in the Company's local exchanges to ascertain whether 211 abbreviated dialing will be available to their end users.

C. OBLIGATIONS OF THE COMPANY

1. The Company shall provision 211 Service no later than thirty (30) days after the effective date of its tariff.
2. When a 211 Service call is placed by the calling party via interconnection with an interexchange carrier, the Company cannot guarantee the completion of said 211 Service call, the quality of the call or any features that may otherwise be provided with 211 Service.
3. The Company does not undertake to answer and forward 211 Service calls but furnishes the use of its facilities to enable the Approved Information and Referral Service Provider to respond to such calls at the Approved Information and Referral Service Provider established call centers.

N11 SERVICE (Continued)
211 SERVICE FOR INFORMATION AND REFERRAL SERVICES (Continued)

D. LIABILITY

The Company's entire liability to any person or entity for interruption or failure of the 211 Service shall be limited to the terms set forth in Section 4.

E. OTHER TERMS AND CONDITIONS

1. The 211 Service will not provide calling number information in real time to the Approved Information and Referral Service Provider. If this type of information is required, the Approved Information and Referral Service Provider must subscribe to compatible Caller ID service.
2. The 211 Service is provided solely for the benefit of the Approved Information and Referral Service Provider. The provision of the 211 Service by the Company shall not be interpreted, constructed or regarded, either expressly or implied, as being for the benefit of or creating any Company obligation toward any third person or legal entity other than the Approved Information and Referral Service Provider.
3. A written notice will be sent to the Approved Information and Referral Service Provider following oral notification when its 211 Service unreasonably interferes with or impairs other services rendered to the public by the Company or by other subscribers of abbreviated dialing codes. If after notification the Approved Information and Referral Service Provider makes no modification in method of operation or in the service arrangements that are deemed service-protective by the Company, or if the Approved Information and Referral Service Provider is unwilling to accept the modifications, or if the Approved Information and Referral Service Provider continues to cause service impairment, the Company reserves the right, at any time, without further notice, to institute protective measures, up to and including termination of service.
4. In an emergency situation as determined by the Company, the Company reserves the right, at any time, without notice, to institute protective measures, up to and including termination of service.

N11 SERVICE (Continued)
211 SERVICE FOR INFORMATION AND REFERRAL SERVICES (Continued)

F. RATES AND CHARGES

1. Subject to other terms and conditions of this Tariff, Company subscribers shall be able to make and the Approved Information and Referral Service Provider shall be able to receive calls using the 211 Service as part of both parties' local exchange service. The 211 Service is supplemental to and is not a replacement for either party's local exchange service.
2. The Approved Information and Referral Service Provider shall pay the normal tariffed charges for the local exchange access arrangements used for transporting and terminating messages at the Approved Information and Referral Service Provider's designated premises.
3. The Approved Information and Referral Service Provider shall pay the following nonrecurring charges upon establishment of 211 Service:

	<u>Non-Recurring Charges</u>
Switch Translation Charge	\$115.00
Service Order Charge	\$ 15.00
Number Change Charge – applicable when the Approved Information and Referral Service Provider makes application to change the telephone number into which the 211 abbreviated dialing code is translated. The Number Change Charge shall be applied on a per telephone number basis.	\$ 15.00

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS

A. GENERAL

1. The Federal Communications Commission (FCC) assigned the 811 dialing code for nationwide access to One Call Notification Systems. The 811 dialing code ("811 Service") is a nationwide toll-free number to be used by state "One Call" notification systems for providing advanced notice of excavation activities to underground facility operators.
2. The three digit 811 abbreviated dialing One Call Notification code is assigned to the approved "811 Provider" for use in providing One Call notification services to the public by way of voice grade facilities.
3. 811 Service is available from the Company within its services area only. To provide access to 811 to end users in another company's service area or to Competitive Local Exchange Carrier (CLEC) end users within the local calling area, the 811 Provider must make appropriate arrangements with the other company or CLEC serving that territory. The 811 Provider should work separately with competing local providers to ascertain that its end user customers will be able to reach one-call services provided by dialing 811.
4. All 811 abbreviated dialing code calls must be local in nature and will not result in any expanded local calling area (ELCA), intraLATA toll, interLATA long distance, or pay-per-call charges to Company subscribers. However, 811 Service calls may result in local measured service charges where Company subscribers' service plans include such charges.
5. The 811 Service is not available for the following classes of service: inmate service, 1+ and 0+ calling, 0- operator assisted calling and 101XXXX calling. 811 Service is otherwise available wherever local service is accessible.

B. OBLIGATIONS OF THE APPROVED "ONE CALL" NOTIFICATION SYSTEMS PROVIDER

1. The 811 Provider must submit a written application for 811 Service to the Company. The 811 Provider may establish 811 Service in all or part of the Company's exchanges. There may be only one 811 Provider per exchange.
2. The 811 Provider's written application to establish 811 Service in a Company local exchange must include the following:
 - a. The local, foreign exchange, or toll free telephone number into which the Company should translate the dialed 811 abbreviated code. If the 811 Provider desires to change the telephone number into which the 811 abbreviated dialing code is translated, the 811 Provider must pay a Number Change Charge as set forth in Section F. below.
 - b. For network sizing and protection, an estimate of annual call volumes and holding time for calls to the 811 Service.
 - c. An acknowledgement of the possibility that the Commission's assignment of the 811 abbreviated dialing code may be recalled at any time.

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Continued)

B. OBLIGATIONS OF THE APPROVED "ONE CALL" NOTIFICATION SYSTEMS PROVIDER
(Continued)

3. Local Calling for Company Subscribers
 - a. The 811 Provider, in cooperation with the Company, will assure that all 811 Service calls are local and do not generate ELCA, intraLATA toll, interLATA long distance, or pay-per-call charges for Company subscribers.
 - b. When the 811 Provider applies for 811 Service from the Company, the 811 Provider must supply the Company with a toll free number. The Company will translate the 811 digits into the telephone number provided by the 811 Provider.
4. The 811 Provider is liable for and will indemnify, protect, defend and hold harmless the Company against all suits, actions, claims, demands and judgments, plus any expenses and counsel fees incurred by the Company on account thereof, whether suffered, made, instituted or asserted by the 811 Provider or any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the 811 Provider or others, arising out of or resulting directly from the 811 Service.
5. The 811 Provider must develop an appropriate method of responding to 811 calls directed to it out of confusion or in error by Company subscribers.
6. The 811 Provider must subscribe to termination facilities and lines in sufficient quantities to provide adequate service to the public, and enable the 811 Provider to receive calls to the 811 Service during normal business hours.
7. The 811 Service is provided on the condition that the 811 Provider subscribes to termination facilities and lines in sufficient quantities to adequately handle calls to the 811 Service without interfering with or impairing any services offered by the Company.
8. The 811 Provider must comply with all present and future state and federal rules pertaining to abbreviated dialing codes.
9. The 811 Provider is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases and all other rights from all persons whose work, statements or performances are used in connection with the 811 Service. The 811 Provider is also responsible for obtaining all necessary permissions, licenses, written consents, waivers, and releases and all other rights from all holders of copyrights, trademarks and patents used in connection with the 811 Service.

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Continued)

B. OBLIGATIONS OF THE APPROVED "ONE CALL" NOTIFICATION SYSTEMS PROVIDER
(Continued)

10. The 811 Provider must respond promptly to all complaints lodged with any regulatory authority against the 811 Service. If requested by the Company, the 811 Provider must assist the Company in responding to complaints made to the Company concerning the 811 Service.
11. The 811 Provider shall not promote the 811 Service with the use of any auto dialer or broadcasting of tones that dial the 811 abbreviated dialing code.
12. The 811 Provider must work separately with CLECs operating and serving customers in the Company's exchange(s) to ascertain whether 811 abbreviated dialing will be available to their end users.

C. OBLIGATIONS OF THE COMPANY

1. The Company will establish the 811 Service within ninety days after receipt of the 811 Provider's completed application(s) for service or the effective date of this Tariff, whichever is later.
2. When an 811 Service call is placed by the calling party via interconnection with an interexchange carrier, the Company cannot guarantee the completion of said 811 Service call, the quality of the call or any features that may otherwise be provided with the 811 Service.
3. The Company will route 811 calls originating from end users on the Company's local exchange network whether they purchase service directly from the Company or from another provider reselling company service. Otherwise, the Company is not responsible for establishing 811 Service for calls originating from other telecommunications providers.
4. The Company does not undertake to answer and forward 811 Service calls but furnishes the use of its facilities to enable the 811 Provider to respond to such calls at the 811 Provider-established call centers.
5. The rates charged for 811 Service, if applicable, do not contemplate the inspection or constant monitoring of facilities to discover errors, defects, and malfunctions in service, nor does the Company undertake such responsibility. The 811 Provider must conduct such operational tests as, in the judgment of the 811 Provider, are required to determine whether the Company's facilities are functioning properly for its use. The 811 Provider must promptly notify the Company in the event the Company's facilities are not functioning properly.

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Continued)

D. LIABILITY

1. The liability of the Company for losses or damages of any kind arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission, or failure or defects in any facility furnished by the Company, occurring in the course of furnishing 811 Service, or of the Company in failing to maintain proper standards of maintenance and operation or to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate charge to the 811 Provider for the 811 Service and local exchange services for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission or defect of failure in facilities occurs.
2. The Company is not liable for any losses or damages caused by the negligence of the 811 Provider.
3. The Company's entire liability to any person for interruption or failure of the 811 Service is limited to the terms set forth in this and other sections of this Tariff.
4. The Commission's local assignment and the 811 Provider's use of the 811 abbreviated dialing code are subject to preemption by the Federal Communications Commission. The Company shall not be liable to the 811 Provider for any damages the 811 Provider may incur that result from a national assignment of the 811 abbreviated dialing code.
5. The Company will make every effort to route 811 calls to the appropriate 811 Provider call center. However, the Company will not be held responsible for routing mistakes or errors.

E. OTHER TERMS AND CONDITIONS

1. The 811 Service will not provide calling number information in real time to the 811 Provider. If this type of information is required, the 811 Provider must subscribe to compatible Caller ID service as described elsewhere in this Tariff.
2. The 811 Service is provided for the benefit of the 811 Provider. The provision of the 811 Service by the Company shall not be interpreted, constructed or regarded, either expressly or implied, as being for the benefit of or creating any Company obligation toward any third person or legal entity other than the 811 Provider.

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Continued)

E OTHER TERMS AND CONDITIONS (Continued)

3. A written notice will be sent to the 811 Provider following oral notification when its 811 Service unreasonably interferes with or impairs other services rendered to the public by the Company or by other subscribers of abbreviated dialing codes. If, after such notification, the 811 Provider makes no modification in method of operation or in the service arrangements that are deemed service-protective by the Company, or if the 811 Provider is unwilling to accept the modifications, or if the 811 Provider continues to cause service impairment, the Company reserves the right, at any time, without further notice, to institute protective measures, up to and including termination of service.
4. In an emergency situation as determined by the Company, the Company reserves the right, at any time, without notice, to institute protective measures, up to and including termination of service.

F. RATES & CHARGES

1. A Switch Translation Charge applies for each Company host central office out of which the 811 Provider orders 811 Service, as follows:
 - a. When a Company exchange is served by more than one host central office, a Switch Translation Charge is applicable for each host central office in that exchange.
 - b. If the 811 Provider establishes 811 Service in multiple Company exchanges serviced by the same host central office, only one Switch Translation Charge applies.
2. A Number Change Charge applies when the 811 Provider establishes service or applies to change the telephone number into which the 811 abbreviated dialing code is translated. The Number Change Charge is applied on a per telephone number, per host central office basis.
3. When translating the seven or ten digit number to the 811 abbreviated dialing code, applicable Service Order Charges will apply.

N11 SERVICE (Continued)
811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Continued)

F. RATES & CHARGES (Continued)

4. Rates:

	Nonrecurring <u>Charge</u>
Switch Translation Charge	\$115.00
Service Order Charge	\$15.00
Number Change Charge (per Telephone Number)	\$15.00

* The Switch Translation Charge is applied at the host central office only, and covers all offices that are part of that host complex with a single translated number. This charge applies for each translated number if multiple numbers are required.

UNIVERSAL EMERGENCY TELEPHONE NUMBER SERVICE – 9-1-1

General

Western Reserve Communications, LLC will provide a universal number “9-1-1” for the use of Public Safety Answering Points (PSAP’s) engaged in assisting local government in the protection and safety of the general public. Use of the 9-1-1 number will provide each caller with telephone access to the appropriate PSAP.

Regulations

The regulations specified in this section apply to both “Basic 9-1-1” and “Enhanced 9-1-1” service, hereinafter referred to as 9-1-1 service, in addition to regulations as specified in this tariff.

Information contained in the PSAP’s data base management system will be maintained for 9-1-1 service and will be used exclusively for this purpose.

9-1-1 Service information consisting of the name, address, and telephone number of Customers who subscribe to non-published telephone service is confidential and the PSAP agency agrees to use such information only for the purpose of responding to emergency 9-1-1 Service calls. No liability for damages arising from disclosure of a non-published telephone number shall attach to the Western Reserve Communications, LLC.

Any party residing within the 9-1-1 Service serving areas forfeits the privacy afforded by non-published telephone numbers to the extent that the Customer’s name, telephone number and address associated with the originating station location are furnished to the PSAP.

Because the Western Reserve Communications, LLC serving boundaries and political subdivision boundaries may not coincide, the PSAP must make arrangements to handle all calls received on its 9-1-1 Service lines that originate from all telephones served by the central office within the 9-1-1 Service area whether or not the calling telephone is situated within the geographical boundaries of the county’s public safety jurisdiction.

UNIVERSAL EMERGENCY TELEPHONE NUMBER SERVICE – 9-1-1 (Continued)

Conditions of Furnishing Service

Provision of this service is limited to the use of central office number 9-1-1 as the universal emergency number and once 9-1-1 service has been established in any given area, whether consisting of one or of a combination of more than one participating local government authority, no other 9-1-1 service will be provided within such area.

The 9-1-1 emergency number is not intended to replace the telephone service of the various public safety agencies which may participate in the use of this number.

9-1-1 service is provided solely for the benefit of the local governmental unit; the provision of such service shall not be interpreted, construed, or regarded as being for the benefit of, or creating any Company obligation toward, or any action on behalf of, any third person or other legal entity.

WESTERN RESERVE COMMUNICATIONS, LLC AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS ARE NOT LIABLE IN DAMAGES IN A CIVIL ACTION FOR INJURIES, DEATH, OR LOSS TO PERSONS OR PROPERTY INCURRED BY ANY PERSON RESULTING FROM WESTERN RESERVE COMMUNICATIONS, LLC, ITS OFFICERS', DIRECTORS', EMPLOYEES', OR AGENTS' PARTICIPATION IN ACTS OR OMISSIONS IN CONNECTION WITH SUCH PARTICIPATION IN A 9-1-1 SYSTEM, WHETHER SUCH SYSTEM IS ESTABLISHED PURSUANT TO SECTIONS 4931.40 TO 4931.50 OF THE OHIO REVISED CODE OR OTHERWISE IN ACCORDANCE WITH WESTERN RESERVE COMMUNICATIONS, LLC'S SCHEDULES REGARDING 9-1-1 SYSTEMS FILED WITH THE PUBLIC UTILITIES COMMISSION PURSUANT TO SECTION 4905.30 OF THIS OHIO REVISED CODE.

UNIVERSAL EMERGENCY TELEPHONE NUMBER SERVICE – 9-1-1 (Continued)

9-1-1 Service Features

1. Automatic Location Identification (ALI): Will not be provided.
2. Automatic Number Identification (ANI): A feature by which the calling party's telephone number is forwarded to the E-9-1-1 control office and to the PSAP's display and transfer units. Additional telephones with the same number as the calling party's (secondary locations, off premise, etc.) will be identified with the address of the telephone number at the main location.

Rates and Charges

9-1-1 service is provided to residents who subscribe to Western Reserve Communications, LLC local exchange telephone service. The monthly rate for this service will be as below:

INTRALATA PRESUBSCRIPTION

1. General

IntraLATA Presubscription is a procedure whereby a subscriber designates to the Telephone Company the carrier which the subscriber wishes to be the carrier of choice for intraLATA toll calls. Such calls are automatically directed to the designated carrier, without the need to use carrier access codes or additional dialing to direct the calls to the designated carrier. IntraLATA presubscription does not prevent a subscriber who has presubscribed to an intraLATA toll carrier from using carrier access codes or additional dialing to direct calls to an alternative intraLATA toll carrier on a per call basis.

2. IntraLATA Presubscription Options

Option A. Subscriber may select the Telephone Company's intraLATA carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription.

Option B: Subscriber may select her/his interLATA toll carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription.

Option C: Subscriber may select a carrier other than the Telephone Company's intraLATA carrier or the subscriber's interLATA toll carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription.

Option D: Subscriber may select no presubscribed carrier for intraLATA toll calls subject to presubscription which will require the subscriber to dial a carrier access code to route all intraLATA calls to the carrier of choice of each call.

3. Rules and Regulations

Subscribers of record on the effective date of this tariff will retain their current dialing arrangements until they request that their dialing arrangements be changed. Until an affirmative choice is made, all subscribers will be assigned to the Telephone Company's intraLATA carrier.

Subscribers of record or new subscribers may select either Options A, B, C, or D for intraLATA Presubscription.

Subscribers may change their selected Option and/or their presubscribed IntraLATA toll carrier at any time subject to charges specified in Paragraph 5 below.

INTRALATA PRESUBSCRIPTION (Continued)

4. IntraLATA Presubscription Customer Notices

The Telephone Company will notify subscribers that intraLATA Presubscription is available no longer than sixty (60) days following the effective date of this tariff. The notice will contain a description of intraLATA toll presubscription, how to make an intraLATA toll presubscription carrier selection, and a description of when and what charges apply related to the selection of an intraLATA toll carrier.

5. IntraLATA presubscription Charges

a. Application of Charges

There will be no charges for a subscriber's initial intraLATA toll presubscription selection for a period beginning on the effective date of this tariff and ending no sooner than ninety (90) days following the mailing date of subscriber notification of intraLATA presubscription availability.

New local service subscribers will be asked to select a carrier(s) for their intraLATA toll and interLATA calls subject to presubscription at the time they place an order with the Telephone Company for local exchange service. If the new subscriber is unable to make a selection, at that time, the new subscriber will be read a random listing of all available intraLATA toll carriers to aid their selection. If the new subscriber is still unable to make a selection, at that time, the Telephone Company will inform the new subscriber that he/she will be given ninety (90) days in which to inform the Telephone Company of an intraLATA toll presubscription carrier choice at no charge. The new subscriber will also be informed that the Telephone Company will assess a charge for any selections made after the ninety (90) day window and that until a selection is made the subscriber will be required to dial a carrier access code to route all intraLATA toll calls.

New subscribers who do not make an intraLATA toll carrier presubscription choice at the time the new subscriber places an order establishing local exchange service with the Telephone Company will not be presubscribed to any intraLATA toll carrier, but rather will be required to dial a carrier access code to route all intraLATA toll calls to the carrier of choice for each call.

After a subscriber's initial selection for a presubscribed intraLATA toll carrier, for any change thereafter, an IntraLATA Presubscription Change Charge will apply as follows:

INTRALATA PRESUBSCRIPTION (Continued)

- a. Application of Charges (Continued)
- (1) The charge shall be no greater than those set forth in Paragraph 5.b., unless modified by a company-specific Commission-approved tariff.
 - (2) If a Subscriber changes both the InterLATA and IntraLATA Presubscribed Interexchange Carrier at the same time, 50% of the otherwise applicable IntraLATA Presubscription Change Charge will apply.
- b. Nonrecurring Charges IntraLATA Presubscription Change Charge
- Per business or residence line, trunk, or port:
