RECEIVED-DOCKETING DIV

Per the Public Utilities Commission request, this letter has been generated to acknowledge and accept a temporary change to the railroad warning light at grade crossing 473-711A, located on State Street in Fremont Ohio.

The acceptance of temporary change is based on the following:

1. This warning device has been damaged and thereby structurally unsound (see photograph below and note unconnected members).
2. Damaged structural elements will be removed from the vertical mast (the vertical mast is shown on the right side of the photograph below).
3. The light shall be located on the vertical mast under these temporary conditions.

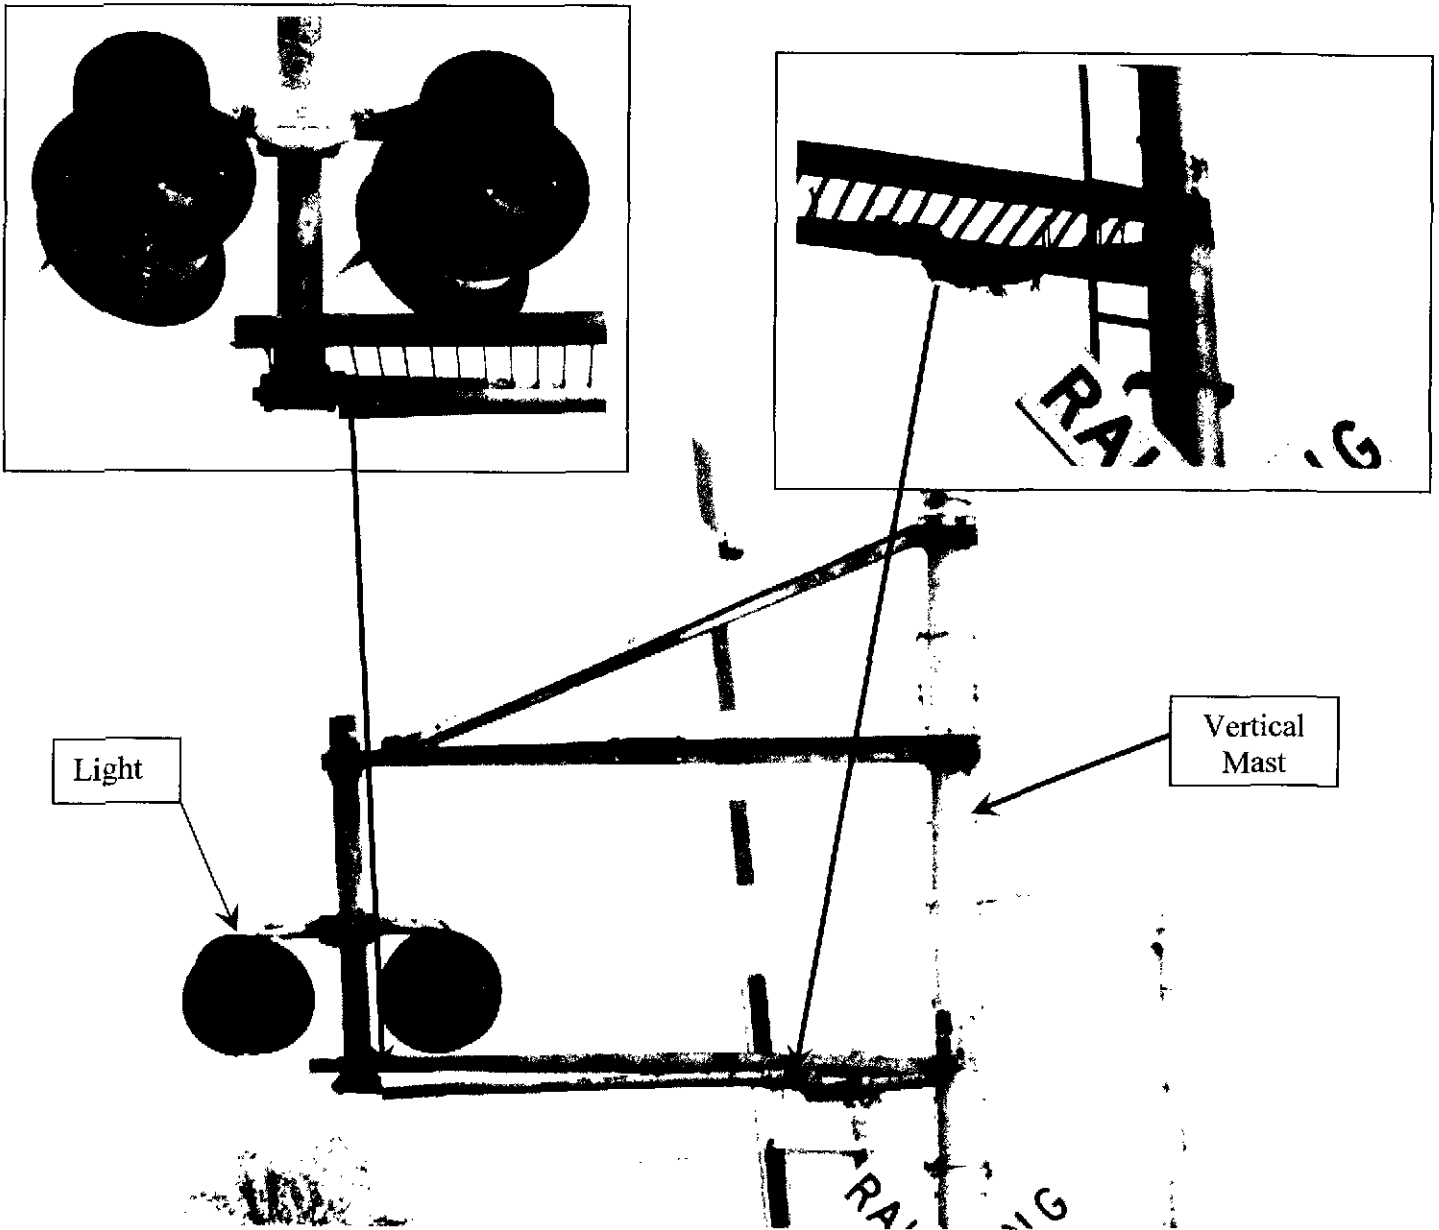

Please contact the city's engineering department if you need further assistance.

Thank you,

Aaron Hunt
