Exhibit B-2 "Experience & Plans," provide a description of the applicant's experience and plan for contracting with customers, providing contracted services, providing billing statements, and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Section 4928.10 of the Revised Code.

CenStar utilizes two main ways to contract with customers, phone enrollment and online enrollment. For both methods, customers are mailed our Terms of Service and are given a right of rescission, where applicable, if they do not wish to abide by these terms.

Consolidated billing statements are provided to the customer through the utility company. CenStar establishes how much the customer owes for that month based on their rate and usage. They then send that amount to the utility company who includes CenStar's charges on their consolidated bill which is in turn provided to the customer.

For customer inquiries, CenStar has a toll-free customer service number (877-529-6701) that customers can call Monday-Friday, 9am-5pm EST to have questions regarding their service answered.
