Mr. Martin,

On behalf of the Lucas County Engineer's Office, we are in concurrence with the installation of the proposed cantilever railroad signal at the Holland-Sylvania Rd. Norfolk Southern Crossing located in Springfield Township and the City of Toledo. Please feel free to note this for the official record to be filed.

Thank you for your assistance and if you need any additional information from our office please let me know.

Regards,

Gary:

Here's the report from the recent diagnostic survey.

Per below, it sounds like the PUCO would welcome a quick note from the City/County, confirming its concurrence with the proposed cantilever installation.

Please call me if we need to discuss.

Thanks.
