Notes:

Section I and II are Pursuant to Chapter [4901:1-6](#) OAC.

Section III – Carrier to Carrier is Pursuant to [4901:1-7](#) OAC, and Wireless is Pursuant to [4901:1-6-24](#) OAC.

Section IV – Attestation.

(1) Indicate the Carrier Type and the reason for submitting this form by checking the boxes below.

(2) For requirements for various applications, see the identified section of Ohio Administrative Code Section 4901 and/or the supplemental application form noted.

(3) Information regarding the number of copies required by the Commission may be obtained from the Commission's web site at www.puco.ohio.gov under the docketing information system section, by calling the docketing division at 614-466-4095, or by visiting the docketing division at the offices of the Commission.

(4) An Incumbent Local Exchange Carrier (ILEC) offering basic local exchange service (BLES) outside its traditional service area should choose CLEC designation when proposing to offer BLES outside its traditional service area or when proposing to make changes to that service.

All Filings that result in a change to one or more tariff pages require, at a minimum, the following exhibits.

Exhibit	Description:
A	The tariff pages subject to the proposed change(s) as they exist before the change(s). Not Applicable. Applicant does not provide any services that require tariffing and, therefore, has no tariffs on file.
B	The Tariff pages subject to the proposed change(s), reflecting the change, with the change(s) marked in the right margin. Not Applicable. Applicant does not provide any services that require tariffing and, therefore, has no tariffs on file.
C	A short description of the nature of the change(s), the intent of the change(s), and the customers affected.
D	A copy of the notice provided to customers, along with an affidavit that the notice was provided according to the applicable rule(s). Not Applicable Applicant will continue to provide service without immediate change in rates, terms or conditions. Further, the brand name familiar to the customer will not change.

EXHIBIT C

DESCRIPTION OF THE TRANSACTION

EarthLink Business, LLC (f/k/a New Edge Network, Inc. d/b/a EarthLink Business) (“New Edge” or “Applicant”)¹ requests Commission approval for certain *pro forma* intra-company changes described in more detail below. Applicant is an indirect subsidiary of EarthLink, Inc. (“EarthLink”), and the *pro forma* intra-company changes described herein are being undertaken to consolidate the EarthLink corporate structure and realign EarthLink’s operating units to eliminate unnecessary and cumbersome intermediate companies in the EarthLink corporate structure and to assure that customer service is maximized by aligning the services with the experienced account and operations teams focused on particular lines of business.²

Introduction

Over the past several years, EarthLink has acquired a number of existing telecommunications businesses that either themselves or through one or more operating subsidiaries, held federal and state authorizations and certificates to provide interstate and intrastate telecommunications services. A number of these acquired companies were themselves combinations of multiple existing communications businesses and therefore had more than one licensed operating entity. As a result of these acquisitions, the corporate structure of EarthLink is extremely complex, with over 50 separate entities, many of whose services and service areas overlap. All of the entities providing interstate or intrastate telecommunications services (with the exception of EarthLink Carrier, LLC (f/k/a Interstate FiberNet, Inc. d/b/a EarthLink Carrier)

¹ As will be described in more detail below New Edge has recently changed its corporate form to become a limited liability company (“LLC”) and has changed its corporate name. Because the Commission’s records currently reflect New Edge’s former corporate name, for purposes of avoiding any confusion, Applicant is referred to by its former name, New Edge, throughout this Application.

² The *pro forma* intra-company changes that are the subject of this Application are part of a series of *pro forma* intra-company changes to simplify EarthLink’s corporate structure and realign EarthLink’s operating units. While the *pro forma* intra-company changes that are the subject of this Application are expected to be completed by the end of the fourth quarter of 2012, some of the other *pro forma* intra-company changes will take place in 2013 due to the complexity of the operational changes that will be necessitated with the intra-corporate changes. To the extent required, Applicant, and/or affiliates of Applicant, will file subsequent requests for approval for, or notice of, those future *pro forma* intra-corporate changes.

(“IFN”), a wholesale telecommunications services provider that does business as “EarthLink Carrier.”) currently transact business, and hold themselves out to the public, under the legal or trade name “EarthLink Business.” A chart depicting the current corporate organizational chart of EarthLink and its subsidiaries is provided as Exhibit C-1.

EarthLink intends to simplify its existing corporate structure in a way that streamlines the number of companies offering duplicative services and holding duplicative licenses through a combination of steps, including the conversion of certain of the entities to limited liability companies, the change of the legal name of certain of the entities, the merger of certain of the entities, and the realignment and transfer of certain assets to consolidate services within the appropriate business units. A chart depicting the corporate organizational structure of EarthLink upon completion of these various *pro forma* intra-corporate changes is provided as Exhibit C-2. This simplified corporate structure will reduce the reporting and accounting burdens of EarthLink and provide operational efficiencies, and will make it easier for EarthLink to market services through business units that focus on defined service and customer segments thus allowing each business unit to target its sales, operations, customer service and management teams on those service and customer segments. The instant intra-company changes will also realign certain operating and other assets to the business unit that they support.

Description of the Applicant

New Edge is an indirect subsidiary of EarthLink. EarthLink is a publicly traded Delaware corporation (NASDAQ: ELNK) with a principal business office at 1375 Peachtree Street, Atlanta, Georgia 30309. EarthLink is a provider of Internet Protocol (IP) and telecommunications infrastructure and services to other telecommunications carriers, businesses, enterprise organizations and individual customers across the United States. Over the past 6 years, EarthLink has completed the acquisition of a number of telecommunications companies including New Edge Networks (2006), ITC^DeltaCom (2010) (includes the Interstate FiberNet, DeltaCom and Business Telecom entities), and One Communications (2011) (includes the Connecticut Telephone and Communications Systems, CT Broadband, CTC Communications, Lightship Telecom, US Xchange, Choice One Communications, and Conversent Communications entities), which has resulted in a very complicated corporate structure. As noted above, all of the above acquired companies, and each of their subsidiary companies, with the exception of IFN and various unregulated operating entities and holding companies, operate

under the legal or trade name EarthLink Business. In Ohio, EarthLink has seven subsidiaries that are authorized to provide telecommunications services: Business Telecom, Inc. d/b/a EarthLink Business (“BTI”),³ CTC Communications Corp. d/b/a EarthLink Business (“CTC”),⁴ Choice One Communications of Ohio, Inc. d/b/a EarthLink Business (“Choice One”),⁵ Conversent Communications Resale L.L.C. d/b/a EarthLink Business (“Conversent”),⁶ DeltaCom, LLC d/b/a EarthLink Business (f/k/a DeltaCom, Inc. d/b/a EarthLink Business) (“DeltaCom”),⁷ New Edge,⁸ and Saturn Telecommunication Services, Inc. d/b/a EarthLink Business (“Saturn”)⁹ (collectively, the “OH Certificated Entities”). BTI is a North Carolina corporation; CTC is a Massachusetts corporation; Choice One is a Delaware corporation;

³ BTI is authorized to provide competitive telecommunications services to Certificate No. 90-5193 granted in Case No. 03-1578-TP-CIO. BTI is not affected by the *pro forma* intra-company changes that are the subject of this Application, but is expected to participate in future *pro forma* intra-company changes, at which time BTI will make the necessary filing(s).

⁴ CTC is authorized to provide competitive local exchange services and competitive telecommunications services pursuant to Certificate No. 90-9376 granted in Case No. 09-698-TP-ACE. CTC, Choice One and Conversent are jointly filing a separate application with the Commission, requesting approval for the *pro forma* intra-company changes affecting those entities as described below.

⁵ Choice One is authorized to provide competitive local exchange services pursuant to Revised Certificate No. 90-9082. CTC, Choice One and Conversent are jointly filing a separate application with the Commission, requesting approval for the *pro forma* intra-company changes affecting those entities as described below.

⁶ Conversent is authorized to provide competitive local exchange and competitive telecommunications services pursuant to Certificate No. 90-9372 granted in Case No. 09-699-TP-ACE. CTC, Choice One and Conversent are jointly filing a separate application with the Commission, requesting approval for the *pro forma* intra-company changes affecting those entities as described below.

⁷ DeltaCom authorized to provide competitive telecommunications services pursuant to Certificate No. 90-5725 granted in Case No. 96-1239-CT-ACT. DeltaCom (1) will file a separate application with the Commission requesting that its name in the Commission’s records be changed to “DeltaCom, LLC d/b/a EarthLink Business” to reflect its conversion to a limited liability company and for another *pro forma* intra-company change affecting DeltaCom as described below and (2) will jointly file with Saturn a separate application for approval for the other *pro forma* intra-company change affecting DeltaCom and Saturn as described below.

⁸ New Edge is authorized to provide competitive telecommunications services pursuant to Certificate No. 90-5896 granted in Case No. 99-1188-CT-ACE. New Edge requests that its name in the Commission’s records be changed to “EarthLink Business, LLC” to reflect its conversion to a limited liability company and name change. A copy of New Edge’s conversion and name change documents and authority to transact business in Ohio are provided as Exhibit C-4.

⁹ Saturn is authorized to provide competitive telecommunications services pursuant to Certificate No. 90-6012 granted in Case No. 01-1517-CT-ACE. As stated above, Saturn will jointly file with DeltaCom a separate application for approval for the other *pro forma* intra-company change affecting DeltaCom and Saturn.

Conversent is a Delaware limited liability company; DeltaCom is an Alabama limited liability company as a result of its conversion from an Alabama corporation; New Edge is a Delaware limited liability company as a result of its conversion from a Delaware corporation; and Saturn is a Florida corporation. An organization chart depicting the corporate organizational structure of the OH Certificated Entities and their direct and indirect parent companies (but not affiliates) before and after the *pro forma* intra-company changes is appended hereto as Exhibit C-3.

Additional information regarding EarthLink, including its most recent SEC Forms 10-K and 10-Q, as filed with the Securities and Exchange Commission, is available at <http://www.earthlink.net/about/investor/>.

Description of *Pro Forma* Intra-Company Changes

EarthLink has determined that its business would be more efficient from a management, operations, regulatory, accounting, financial and customer perspective by reducing its over 50 subsidiaries as much as possible. The *pro forma* intra-company changes described below that are the subject of this Application are part of these streamlining efforts. As part of this process, EarthLink will also align its various services to business units that will be able to maximize the product mix and level of service to the needs of particular customer segments. As a result, certain assets and customers will be reallocated between the business units. Once the various *pro forma* intra-company changes are completed, EarthLink expects that its customer and service segments will be aligned with business units dedicated to Consumer Services, Business Services, IT Services and Carrier Services.

- EarthLink Consumer Services operates as an Internet service provider, providing nationwide Internet access and related value-added services to individual and small business customers. EarthLink's consumer service offerings are narrowband and broadband (high speed) Internet access, search, advertising and VoIP services. EarthLink provides its portfolio of services to approximately 1.5 million customers through a nationwide network of dial-up points of presence and a nationwide broadband footprint.
- EarthLink Business provides nationwide IP network solutions, integrated voice, mobile and data services and related value-added services to businesses of all sizes and across industries including finance, retail, healthcare and government.
- EarthLink Carrier provides wholesale services, including IP, capacity and voice services, to carrier and wholesale customers.
- EarthLink IT Services provides managed security, virtualization, managed desktop support, data center and cloud services.

To the extent necessary, this Application seeks approval of the various intra-company changes that resulted, or will result, in:

- (1) EarthLink Business Holdings, LLC (f/k/a EarthLink Business, LLC) becoming the new direct parent company of New Edge;¹⁰ and
- (2) New Edge converting from a Delaware corporation to a Delaware limited liability company and immediately changing its name to EarthLink Business, LLC.

Other OH Certificated Entities are filings separate Application with respect to various *pro forma* intra-company changes that affect those entities.¹¹ Charts depicting the corporate organizational structure of EarthLink and its subsidiaries before and after these *pro forma* intra-company changes are appended hereto as Exhibits C-1 and C-2 (*see also* Exhibit C-3, depicting the

¹⁰ This will result from the merger of New Edge Holding, LLC (f/k/a New Edge Holding Company), New Edge's current direct parent, with and into EarthLink Business Holdings, LLC, whereupon the separate existence of New Edge Holding, LLC will cease and EarthLink Business Holdings, LLC will be the surviving entity.

¹¹ The other *pro forma* intra-company changes affecting the other OH Certificate entities include:

- (1) DeltaCom converting from an Alabama corporation to an Alabama limited liability company;
- (2) ITC^DeltaCom, Inc. becoming the new direct parent of DeltaCom;
- (3) New Edge becoming the new direct parent company of CTC, Choice One, and Conversent; and
- (4) Saturn merging with and into DeltaCom, whereupon the separate existence of Saturn will cease and DeltaCom will be the surviving entity.

Additional details regarding those intra-company changes will be provided in the respective Applications.

corporate organization of the OH Certificated Entities and their direct and indirect parent companies).

The *pro forma* intra-company changes have not, and will not, result in any change to the ultimate ownership of any of the OH Certificated Entities. The conversion of New Edge to a limited liability company was merely a change in corporate form – the conversion was accomplished through a “check-the-box” filing in Delaware and did not entail any merger or other transactions that extinguish the existence of New Edge and the name under which this entity conducts business has not changed.¹² As a result, the customers of New Edge continue to be served by the same entity from whom they previously obtained service and continue to receive invoices for services from EarthLink Business under the same rates, terms and conditions of service as provided by EarthLink Business before the changes. Accordingly, the conversion and name change of New Edge has been, and the other *pro forma* intra-company changes will be, transparent to the customers of EarthLink Business.

Public Interest Considerations

Applicant submits that the *pro forma* intra-company changes described herein are in the public interest. The *pro forma* changes will simplify EarthLink’s existing corporate structure and thereby reduce its reporting and accounting burdens and provide other operational efficiencies. The *pro forma* changes will also allow EarthLink’s business units to take advantage of their core focus and strengths to the benefit of their customers. As a result of the efficiencies and focus, EarthLink and its subsidiaries will become stronger competitors to the ultimate benefit of consumers.

Furthermore, the *pro forma* changes will be virtually transparent to customers and will not result in any change in their services. Since all affected customers are already familiar with, and are receiving services and invoices from the EarthLink Business brand, the *pro forma* intra-company changes will not result in customer confusion. Moreover, the rates, terms and conditions of their services will not change as a result of these purely intra-company changes.

Finally, all of EarthLink’s subsidiaries, including Applicant, have the same corporate officers. Therefore, there will be no change in the managerial qualifications of the telecommunications provider serving the affected customers.

¹² As described above, New Edge no longer uses a d/b/a of EarthLink Business, since New Edge’s legal name is now EarthLink Business, LLC as a result of its name change.

CONCLUSION

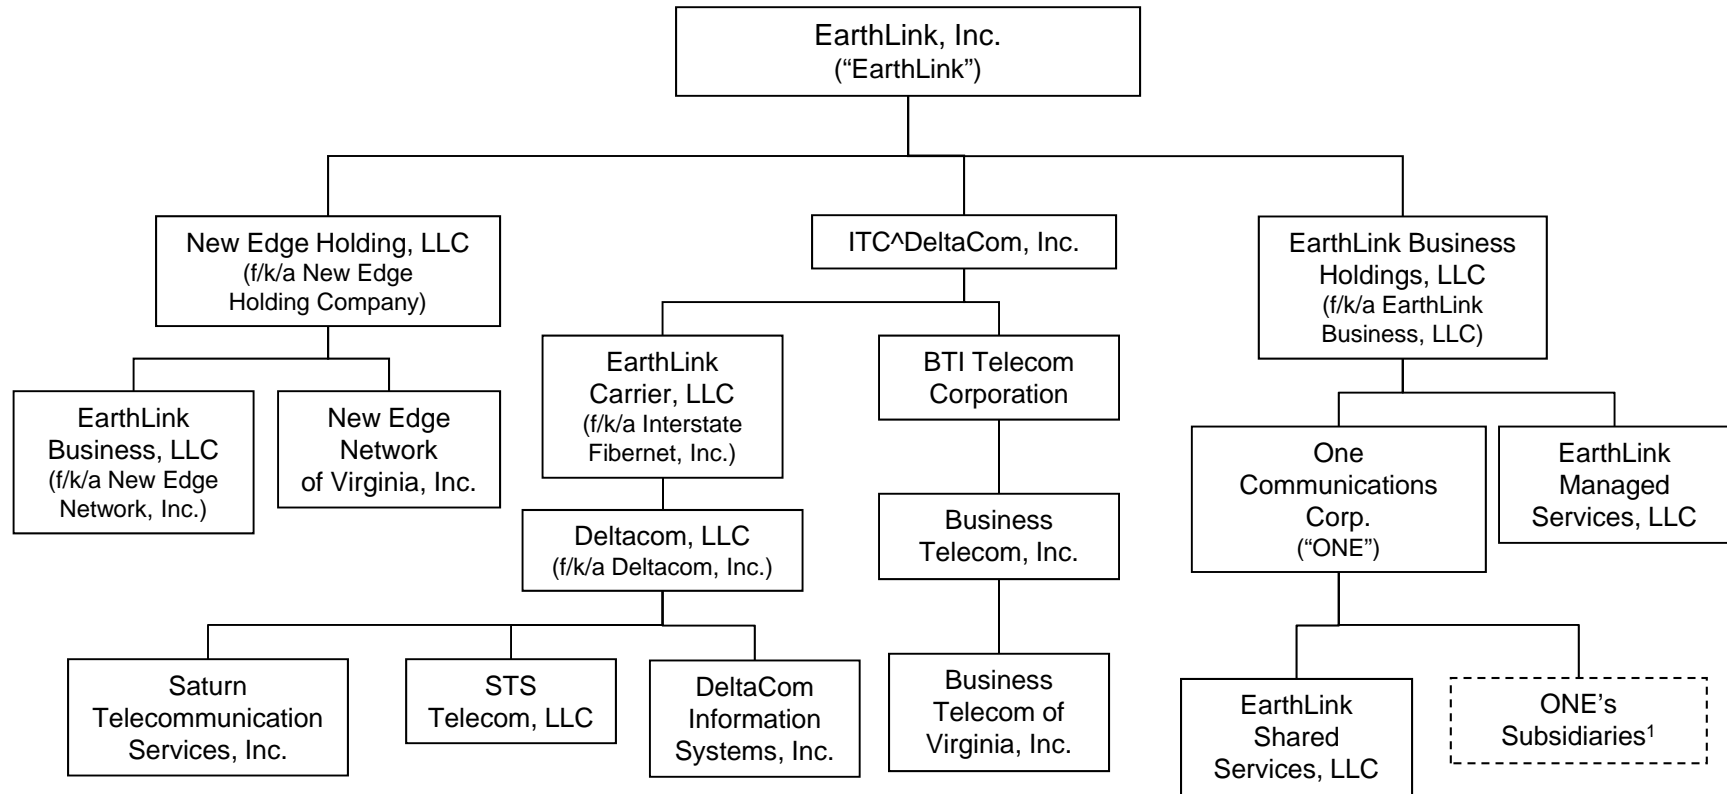

For the foregoing reasons, Applicant submits that the public interest, convenience, and necessity would be furthered by grant of this Application, authorizing Applicant to complete the *pro forma* intra-company changes described herein.
