MOTION FOR PROTECTIVE ORDER

Pursuant to Section 4901-1-24(d) (O.A.C. § 4901-1-24(D)) of Ohio Administrative Code ("O.A.C."), Noble Americas Energy Solutions LLC ("Noble Solutions") respectfully moves that the Public Utilities Commission of Ohio ("Commission") grant a protective order for its response to the order made in Case No. 12-2668-EL-ACP. The reason underlying this motion is that certain data included as a part of this filing would reveal Noble Solutions' purchase information which Noble Solutions considers proprietary and confidential. Noble Solutions proposes to redact details regarding the average purchase price of its RECs as specified in Exhibit A.

Consistent with the requirements of Section 4901-1-24(D) of the Commission's rules, one (1) original and three (3) confidential copies of the information which is the subject of this motion have been filed under seal, and one redacted copy has been filed through the OH DIS system.
