COMPLAINT DESCRIPTION:

DUKE HAS ONCE AGAIN PETITIONED FOR A RATE HIKE I SINCERELY HOPE YOU DENY THE REQUEST,THIS IS THE WORST POSSIBLE TIME AMERICANS ARE STRUGGLING NOW MORE THAN EVER. MIDDLE CLASS income has fallen and the jobs being created are paying half of what the jobs paid that were lost, how many rate increases has duke had since 2001? i havent had a payroll raise since 2001. as a matter a fact my company has a skeletan crew left as our company has been shipped to china. and our everything we touch or consumed has doubled in price except our income. duke has the nerve to ask for another rate hike. i recommend a decrease they are making too much now. i would not allow anymore rate hikes until the american wage catches back up and the economy picks up. they need to stop choking americans just so some greedy thugs can get richer. thank you, a duke energy customer
