Case No. 12-2447-EL-CSS

MOTION FOR CONTINUANCE OF SETTLEMENT CONFERENCE

In accordance with Ohio Admin. Code 4901-1-12, the Respondent, The Cleveland Electric Illuminating Co. ("CEI" or the "Company"), requests that the Commission continue the settlement conference scheduled for Tuesday, October 30, 2012, to a date not later than November 16, 2012, if possible. Good cause exists for granting the motion. Severe weather warnings, including high-wind warnings, have been issued statewide through the evening of the 30th, making travel across the state hazardous, and such travel is necessary for counsel for both parties. This request is not for the purpose of delay. Counsel for Complainant supports this motion.
