**MOTION OF CITY OF URBANA, OHIO FOR ISSUANCE OF A
SUBPOENA DUCES TECUM TO AIR METHODS CORP.**

Intervenor City of Urbana, Ohio, hereby files this motion and memorandum requesting a subpoena to Air Methods Corp.

MEMORANDUM IN SUPPORT

Air Methods Corp. is a Delaware corporation headquartered in Colorado and does substantial business nationwide as the employer of helicopter pilots contracted to fly with local emergency medical service (EMS) providers, which own the helicopters and employ the medical flight crews. One of those EMS providers is CareFlight, which has a base at Grimes Field in Urbana, Ohio. Air Methods also employs pilots for LifeNet of New York, which has at least three operational wind turbine projects within its territory. Air Methods employs helicopter pilots who work in proximity to wind turbine sites and has most likely developed procedures for them. This information is relevant to the Champaign Wind proceeding and may be useful in developing certificate conditions to address safety issues. For the foregoing reasons, the City of Urbana, Ohio, requests the Administrative Law Judge issue the attached subpoena.
