Re: Buckeye II Wind Farm  
Case No. 12-0160-EL-BGN

Ms. Judy Hicbey,

Thank you for your input regarding the proposed Buckeye II Wind Farm. I have docketed your letter in the public comments section of the record in case number 12-0160-EL-BGN.

The adjudicatory proceedings of the case began on Thursday, November 8, 2012 at the Board's offices in downtown Columbus. Discussions about the facility, including setbacks, will be addressed during the hearing.

To view all activity pertaining to this case, siting application, and/or rules governing the installation and operation of wind energy in Ohio, visit the Ohio Power Siting Board's website at [www.OPSB.ohio.gov](http://www.OPSB.ohio.gov).

Again, the Board thanks you for your interest.

Very truly yours,

Kim Wissman, Executive Director  
Ohio Power Siting Board

Case No: 12-0160-EL-BGN

To the Ohio Power Siting Board Members:

The proposed project area outlined in the Buckeye Wind II application is not appropriate for an industrial site on this scale, and placing dozens of massive industrial structures 492 feet in height so close to residents is unconscionable. Please represent the interests of the citizens of the State of Ohio who are relying on you to exercise the power of your office by refusing to approve Phase II of this project, agreeing to place industrial energy plants on the scale of Buckeye Wind II where appropriate, which, by definition, is not in Champaign County.

I do not support this project.
