Buckeye Wind Project-Case No. 12-0160-EL-BGN
Ohio Power Sitting Board
180 East Broad St
Columbus, OH 43215

Ohio Power Sitting Board:

This letter is to express my support for the proposed
Buckeye II Wind Project in Champaign County.

I am a land owner in Champaign County on State Route
No. 161 about 10 miles east of Urbana, OH. My family
(Moody's) has occupied this farm or portion thereof
since 1837, and would like to see Buckeye II Project
develop substantial electrical energy in Champaign
County as quickly as possible for the following reasons:

- Generate clean, renewable electric for thousands
of homes & businesses.
- Pay millions in tax revenue to schools & local government
- Contribute to Ohio & U.S. energy independence
- Create hundreds of construction & manufacturing jobs
- Assist Ohio and U.S. energy independence jobs
and advanced Energy Portfolio Standard
- Jumpstart an economic engine that will allow my
friends & neighbors to thrive with a higher quality
of life in Champaign County

Thank you for taking the time to hear one land owner's
opinion on this project. Many of us cannot wait to
continue building a strong economy & community in our
county. Your certification of this project will help us
to do so.

Sincerely,

Carl W. Moody
