Ohio Power Siting Board

180 East Broad Street

Columbus, OH 43215

To the Ohio Power Siting Board,

This letter is to express my support for the proposed Buckeye II Wind Project in Champaign County.

I am a community member in Champaign County and I strongly believe that this second project will provide many positive benefits based on strong winds, strong economy and strong community. By expanding with Buckeye II, the wind farms in our county will:

- Generate clean, renewable electric energy for thousands of homes and businesses
- Pay millions in tax revenue to schools and local government
- Contribute to Ohio and U. S. energy independence
- Create hundreds of construction and manufacturing jobs and many ongoing operational jobs
- Assist Ohio in achieving its Advanced Energy Portfolio Standard
- Jumpstart an economic engine that will allow my friends, family and neighbors to thrive with a higher quality of life in Champaign County
