Ohio Power Siting Board

180 East Broad Street

Columbus, OH 43215

Dear Ohio Power Siting Board,

This letter serves to express my support for the proposed Buckeye II Wind Project in Champaign County. I strongly believe that this second project will provide many positive benefits based on strong winds, strong economy and strong community. By expanding with Buckeye II, the wind farms in the county will:

- Generate clean, renewable electric energy for thousands of homes and businesses
- Pay millions in tax revenue to schools and local government
- Contribute to Ohio and U. S. energy independence
- Create hundreds of construction and manufacturing jobs and many ongoing operational jobs
- Assist Ohio in achieving its Advanced Energy Portfolio Standard
- Jumpstart an economic engine that will allow residents to thrive with a higher quality of life in Champaign County

Thank you for taking the time to read this letter.

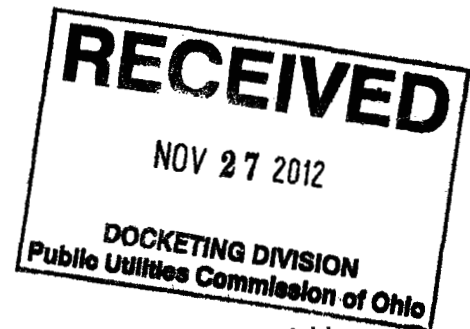

Sincerely,

Karen Dove Signature
