Re: Motion for Certain Waivers,
Case No. 12-2959-EL-BGN

Dear Honorable Greta See:

On November 13, 2012, Oregon Clean Energy, LLC (Applicant) filed a motion for certain waivers. Applicant requested waivers of:

- (1) Rule 4906-13-03(A) and (B), O.A.C., that requires Applicant to provide an extensive site selection study to the extent that Applicant is not able to describe all the specific information listed in the site selection criteria; and
- (2) Rule 4906-13-04(A)(4), O.A.C., that requires information relating to a cross-sectional view and test borings. Applicant specifically asks that it be permitted to provide the required information no later than for (4) weeks prior to the issuance of the Staff Report.

The Staff of the Ohio Power Siting Board (Staff) does not object to the requested waivers, but reserves the right to require information from the Applicant in areas covered by the requested waiver if Staff determines it to be necessary during the course of the investigation. The Staff also reserves the right to investigate and contest all other issues presented in the application.

Respectfully submitted,

/s/ Steven L. Beeler
