Re: Buckeye II Wind Farm  
Case No. 12-0160-EL-BGN

Ms. Johnson,

Thank you for your input regarding the proposed Buckeye II Wind Farm. I have docketed your correspondence in the public comments section of the record in case number 12-0160-EL-BGN.

The adjudicatory proceedings of the case will conclude next week and the parties of the case will continue to litigate the issues at hand. Before the Board makes a decision about the Buckeye II Wind Farm, it will consider the developer's application, OPSB staff report, public comments, and the records of the public and adjudicatory hearings. All of these materials are available on the Ohio Power Siting Board website, along with many other materials about wind development in the state: [www.OPSB.ohio.gov](http://www.OPSB.ohio.gov)

The Board thanks you for your interest in the case.

Very truly yours,

Kim Wissman, Executive Director  
Ohio Power Siting Board

COMMENT DESCRIPTION:

Please allow me to express my strong opposition of the Buckeye Wind II project. This project is destroying our county. Our property rights are being taken away. I know individuals that have Protective Covenants and Restrictions stating, "Nuisances: Nothing shall be carried upon any residential lot which may be or become an annoyance or nuisance in the neighborhood". And who authored these Protective Covenants and Restrictions? You guesses it! The very leaseholder that will now have numerous 500 ft nuisances burdening their neighbors and breaking their agreement to protect their neighborhood. I fear that many lawsuits will spring up if this is approved. Only adding to the division of our community. My heart aches for all of my neighbors. Please deny this project so our community can begin to heal. Thank you for allowing me to post a comment.

Sincerely,

Mary Johnson
