Re: Amended filing for case number 12-3113-GA-CRS

To Whom It May Concern:

Rapid Power Management is applying to do business in Ohio for natural gas brokering. I filed a marketer/supplier application rather than an aggregator/broker application. Due to this, we were alerted to re-send the first two pages of the application. You will find the correct application with this letter. Please let me know if I can be of any further assistance.

Thank you,

Katie Casse  
Rapid Power Management

 Corporation  Other

**A-11 (Check all that apply) Identify each natural gas company service area in which the applicant is currently providing service or intends to provide service, including identification of each customer class that the applicant is currently serving or intends to serve, for example: residential, small commercial, and/or large commercial/industrial (mercantile) customers. (A mercantile customer, as defined in Section 4929.01(L)(1) of the Ohio Revised Code, means a customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within the state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside of this state. In accordance with Section 4929.01(L)(2) of the Ohio Revised Code, "Mercantile customer" excludes a not-for-profit customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within this state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside this state that has filed the necessary declaration with the Public Utilities Commission.)**
