Notes:

Please docket the following in the case number above. Thank you.

COMMENT DESCRIPTION:

Good morning, This is a comment on Case # 12-2637-GA-EXM regarding Columbia Gas' proposal to eliminate the standard offer and require consumers to choose a marketer. I am strongly opposed to this proposal. The current system allows consumers to receive exceptionally competitive natural gas rates, and forcing choice among many marketers with confusing offers will ultimately be harmful to both the citizens and businesses of Ohio. I urge the commission to reject this proposal and continue with the current auction system. Thank you.
