MEMORANDUM IN SUPPORT

On October 17, 2012, the Public Utilities Commission of Ohio (Commission) promulgated an Entry wherein it asked interested parties to review draft rules related to interconnection and to provide comments on or before November 19, 2012. Through inadvertent oversight, Duke Energy Ohio, Inc., (Duke Energy Ohio) did not submit comments. Duke Energy Ohio now respectfully requests that the Commission allow it to file comments out of time. Duke Energy Ohio has interacted with Commission Staff in the past and worked with the rules with respect to the application of the rules and the Company's interconnection customers. As a result, Duke Energy Ohio respectfully states that good cause exists for the Commission to consider these Comments as timely filed.

Permitting the late filing of these Comments not prejudice any of the Parties to this proceeding or cause undue delay. Accordingly, Duke Energy Ohio respectfully submits that the Commission should grant its Motion to File Comments Instantly.

Respectfully submitted,
