Docketing Case No: 12-2637-GA-EXM

Notes:

>I do not understand how deregulating gas service in Ohio will benefit the consumer. Georgia and Texas have clearly had experience in this area; I do not understand why their experiences of huge increases in rates were not included in the case. It is very obvious that utility rates will increase if you vote to deregulate. All consumers will suffer; the elderly and the poor will suffer disproportionately. Please reconsider deregulation of natural gas in the state of OHIO.

Please docket the attached in the case number above.
