This Agreement shall be considered executed by Border following acceptance of your enrollment request by Border immediately following the 7 day rescission period and subsequent acceptance of the enrollment by your local utility provider.

Eligibility: Residential and small commercial accounts that are not enrolled in Percentage of Income Plan Program are eligible for this offer. Further, Border reserves the right to refuse enrollment to any customer with an outstanding electric bill balance. Participation in the electric choice program is subject to the rules and regulations of your local utility provider. Customers are sometimes terminated from the program by error or by being in arrears. Customer may contact their local utility provider to resolve the problem and be reinstated to the choice program. These Terms and Conditions are subject to Customer acceptance into the choice program by both the Company and by your local utility provider. This agreement is not binding until such acceptance has been granted.

Rescission: Once enrolled to receive generation & transmission service from Border, your local utility will send you a confirmation letter. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. Your right to rescind only applies to initial enrollments.
