COMMENT DESCRIPTION:

Everything that I have read about this is telling me that my Electric rates are going to do nothing but go up. Also I see that only one other state has done this to electric rates. They say you should even tread lightly. I can see no reason how this is going to help me as a consumer.

This is to certify that the league appearing and as
 authorized and complete representation of a duly filed
 document, and is to be the regular course of business
 of the league.
