Case No. 12-3244-EL-REN
Adams County Nursery-PA-PV-315.84kW Facility
Staff Interrogatories – Initial Set

Question 1: In section O of the application you left the following question blank:

If the facility had a meter that accurately demonstrates generation levels, please state the specific start date, and below insert documentation from the remote monitoring and reporting system:

However, in Section H you list the placed in service date as 7/12/12. You did not include documentation that shows your system was generating in July 2012 however. Please submit documentation from your remote monitoring and reporting system that shows your system was generating in July 2012.

Answer 1: The system does not have a remote monitoring system. The system does have a dedicated solar meter that shows production as of 11/29/2012:

Please let me know if you have any further questions and thank you for your cooperation.
