Re: Applications of Duke Energy Ohio, Inc. for Establishment of a Charge
Pursuant to Revised Code Section 4909.18, for Approval of a Change in
Accounting Methods, and for Approval of a Tariff for a New Service,
Case Nos. 12-2400-EL-UNC, 12-2401-EL-AAM, and 12-2402-EL-ATA

Dear Sir or Madam:

On October 15, 2012, the Retail Energy Supply Association ("RESA") filed a motion to intervene in these proceedings. In that motion, RESA noted that it was an active participant in Duke Energy Ohio's Electric Security Plan II proceeding (Case No. 11-3549-EL-SSO) and was a signatory party to the approved stipulation in that case. RESA set forth its position about Duke Energy Ohio's current application, namely that it is barred by the approved stipulation. RESA does not wish to supplement those comments at this time.

RESA reserves the right to file reply comments per the established schedule.

Very Truly Yours,

/s/ M. Howard Petricoff

/s/ Gretchen L. Petrucci
