SECTION 3 – LOCAL EXCHANGE SERVICES (CONT'D.)

3.4 Basic Local Exchange Services (Cont'd.)3.4.4 Essentials Local Exchange Service

Essentials Local Exchange Service offers voice-grade telephonic communications channels that can be used to place or receive one call at a time. Lines are provided for the connection of Customer-provided wiring, telephone, facsimile machines or other station equipment. Trunks, where available, are provided for the connection of Customer provided private branch exchanges (PBX) or other station equipment to the switched telecommunications network. This service is provided in conjunction with intrastate and interstate calling services as selected by the Customer.

Service is provided on a contract basis only offering one and three year terms. Customers may choose to expand a 1 year term agreement to a 3 year term agreement at any time during the first 12 months of service. If a conversion from a 1 to 3 year term takes place, the additional two years of the contract will be added to the existing 1 year contract terms. If the 3 year contract term offer is not accepted until after the end of month 12 of the original 1 year term, the term will start over again from month 1 at that point.

Current BullsEye customers may transfer their current service to Essentials at no charge. A one-time set up fee per account may apply for accounts migrating from another carrier. Installation charges apply to new line installations as set forth in Section 3.3 of this tariff.

Essentials Feature Packages:

Essentials Local Service customers may add calling features to their local service by ordering individually or by selecting from one of three Productivity Packages

3.4.4 Essentials Local Exchange Service

B. Essentials Measured

1. General

Essentials Measured provides single line local exchange service with measured (usage based) rates. The following rates apply for usage within the applicable local calling area of the underlying Incumbent Local Exchange Carrier.

Measured Rate Service consists of two components:

Access Line Charge - The Access Line provides Customers with access to the telephone network,

Local Usage –Usage is billed in six (6) second increments after an initial period of eighteen (18) seconds. When a Productivity Package is ordered on the local measured line, the measured usage rate is reduced as set forth in Section 3.4.4.B.2.B below.

A Minimum Monthly Usage Charge (MMUC) may apply.

2. Rates

a. AT&T Service Areas

	Maximum	Current
