Docketing Case No:12-1682

Notes:

I am TOTALLY opposed to the Streetcar Electric Bill Tax!! This is basically a hidden tax that will be placed on my energy bill to pay for TAXES and not my actual usage of energy. If it's a tax, then let the people vote on it. I refuse to pay for a tax on my energy bill that I voted against. You know I've received several requests to change energy companies. And if someone attempts to charge me a tax for that blasted streetcar, I will be changing energy companies. Are you an energy company or are you a government agency?
