Exhibit B-3 – Summary of Experience

Assured NL Insurance Services, Inc.

Assured NL Insured Services, Inc. is currently engaged as a referral partner in the purchase of retail electric service with both AEP Energy and Eagle Energy, both of which hold certificates for the state of Ohio. We are engaged in this activity as part of a broader program which we provide to our insurance clients and prospects to help them raise the efficiency of their operations, lower their costs and maximize the benefits that they can receive from their facilities. To date in our current activities in electrical services we have helped aid in the placement of approximately 55 clients with the alternative electricity providers with which we have an association. Specifically our efforts have also included the education of clients in the mechanics and benefits of alternative electricity supply and once they have agreed to enter into contracts for electricity to ensure that billing and other related aspects of the contracts that were entered into are understood and meet our referrals' expectations.

When we receive the certificate we intend to continue in helping our clients and prospects obtain alternative electricity supply services. Additionally, we intend to expand the range of offerings energy services we provide capitalizing on our experience as an insurance broker to better deliver more services at improved prices.
