Re: *In the Matter of the Commission's Rule Review of Chapter 4901-7 Ohio Administrative Code Standard Filing Requirements for Rate Increases*, Case No. 12-2388-AU-ORD

Dear Ms. McNeal:

On August 17, 2012, the Public Utilities Commission of Ohio ("the Commission") opened the above-referenced case number in order to review the standard filing requirements for rate increases ("the SFR") rules of Ohio Adm. Code Ch. 4901-7. On January 16, 2013, the Commission issued an Entry in this case number directing all interested persons and entities wishing to comment on either the SFR rules, Appendix A to the January 16, 2013 Entry, or on the business impact analysis to file their comments no later than February 15, 2013. The Commission also directed that reply comments be filed no later than March 1, 2013.

The East Ohio Gas Company d/b/a Dominion East Ohio ("Dominion") does not wish to comment on either the SFR rules, Appendix A, or on the business impact analysis. Dominion files this correspondence, however, to reserve the right to file reply comments no later than March 1, 2013.

Respectfully yours,

/s/ Gregory L. Williams
