Mrs. Trevino,

Thank you for contacting the OPSB regarding the Hardin Wind Energy project. To date, the wind development has been certificated in OPSB case numbers 09-0479-EL-BGN and 11-3446-EL-BGA. The project is awaiting the start of construction by the applicant.

If you have any specific questions about the project or wind development in Ohio, please let me know.

Thanks,

Steve
