COMMENT DESCRIPTION:

I'm writing about the possible increase in Butler county's electric and gas rates due to the Cincinnati street car project. I live in Fairfield Twp. Butler county and cannot believe we may be responsible for paying for Hamilton county Ohio's project! I am opposed to such a increase of my electric and gas bill!
I cannot like a lot of others afford these rates! If this happens I'll be selling my property and leaving Ohio period. I'm hoping this rate increase isn't put off on Butler county residents. It isn't our project nor will our residents benefit from it! It's going to cause hardship my family and many others.
