Re: Ralph Logan 9632 Ash Ct Cincinnati, OH 45242

Docketing Case No.: 12-1682-EL-AIR

Notes:

I am writing to protest the attempt by Duke Energy to pass along construction costs to the end user. In Cincinnati there s a VERY controversial project called the Street Car or Trolley....this program was created to be a legacy of our current mayor. It was conceived in idocy and ihas grown more stupid with each oassing day. No one seems to be able to calculate the cost and certainly not the benefit. Now Duke would like o pass along costs of clearing the pathway.

We live in Blue Ash 20 miles from the city and certainly do not want Duke to reflect any of these costs in our montly bills. Please kill this fraudulnt attmpt at a grab for power Ralph C Logan Blue Ash Ohio Please docket the attached in the case number above.
