COMPLAINT DESCRIPTION:

I live in Butler County, Ohio. The City of Cincinnati, Hamilton County, voted for a Trolley system to be installed in downtown Cincinnati. As a resident of Butler County, I was not provided an opportunity to vote on this project.

Now I am being told that there is a possibility that if Duke energy has to pay the cost associated with relocating the utilities that are in the path of the Trolley System, that I will be billed as part of Duke's attempt to recover this cost. (TAXATION WITHOUT REPRESENTATION !!!)

I am also told that Duke has recently requested a 5% and 6% increase on gas and electric rates. Sounds like they are planning to dump the cost of this Trolley System on us one way or the other.

PLEASE DO NOT approve either of these increases.
