Please describe your complaint. (Attach additional sheets if necessary)

On June of 2011 the forestry manager of Illuminating Company came to our house and informed us that 3 maple trees in our back yard needed to be cut down. November of 2011 Eco Tree service came and cut down one of the 3 trees. January of 2012 Eco Tree came while my husband and I were at work to cut down the other 2 trees. The ground was very wet and it was raining. When we came home we saw the damage to our driveway. Several cracked pads and driveway has sunk by our house causing water to puddle. We want to get paid to repair our driveway. We have estimates ranging from \$7,500.00 to \$8,120.00 to repair driveway.
