Re: *In re Application of The East Ohio Gas Co. d/b/a Dominion East Ohio*, Case No.  
11-5843-GA-RDR

Dear Ms. McNeal:

On January 11, 2013, in Case No. 2012-2117 before the Supreme Court of Ohio, The East Ohio Gas Company d/b/a Dominion East Ohio ("DEO") filed a motion to stay the Commission's orders in the above-referenced case. On March 13, 2013, the Court issued an Entry granting the motion for stay "effective once Dominion East Ohio posts its bond with the clerk of this court." On March 14, 2013, the Supreme Court of Ohio issued another entry stating that DEO "has executed an undertaking pursuant to R.C. 4903.16 in the amount of \$2.5 million payable to the state of Ohio and has filed the same with the clerk of this court." The March 14 Entry also stated, "The rate in effect prior to the commission's orders in the underlying case shall be charged as the interim rate, which will go into effect upon [DEO] filing a revised tariff with the commission and the commission accepting the tariff." The rate in effect prior to the Commission's orders in this case was \$0.57.

In accordance with the March 14 Entry, DEO hereby files its updated AMR Cost Recovery Charge tariff. The tariff increases DEO's charge from \$0.42 to \$0.57 and will be effective on bills issued on or after March 18, 2013. DEO will track the difference between the presently filed charge (\$0.57) and the charge the Commission ordered (\$0.42) and will calculate interest on this amount at the rate of three percent per annum. *See* R.C. 4909.042, R.C. 1343.03, R.C. 5703.47; *see also* Ohio Adm. Code 4901:1-17-05(B)(4). In the event the Commission's orders are upheld on appeal, DEO will refund the difference with interest.

Both entries, as well as DEO's updated tariff, are attached to this letter. Please contact me if there are any questions.

Respectfully yours,

/s/ Andrew J. Campbell
