Bmark Energy, Inc.

Exhibit B-2 "Experience & Plans"

Bmark Energy currently consults with companies to provide energy cost savings made available by consuming less energy, by better measuring and managing energy, or by purchasing energy at lower rates. We currently work with hospital groups, fast food chains, pharmaceutical groups, hotel groups, along with a nationwide Feed/Chemical Terminal company located in numerous states.

We don't provide customer billing, as the electricity suppliers provide that function. Ours is a consultant/broker function.

Our practice always promotes the end-user's best interest . . . first.

We plan to provide the same energy cost savings approach to Ohio companies as well.

Bmark Energy, Inc.
