Re: OH3290006735C/Request for Administrative Hearing
180 East Broad Street, 11th Floor
Columbus, Ohio 43215-3793

Dear PUCO:

Recently it was determined from your agency that we should be cited \$150.00 for an Apparent Violation over a traffic accident in which our driver was found at fault.

The determination cited the following

- Brake tube adequacy
- Inspection, repair and maintenance of parts and accessories

It is our position that the items cited could not be given an inspection POST accident, and that the cause of the incident was driver error, not brake failure.

We are requesting an Administrative Hearing on this matter at your earliest convenience.

Sincerely,

Jeff Daniels
