**Re: Great news – West Chester Township’s Aggregation Program supplied by FirstEnergy Solutions continues to offer savings!**

Dear Resident,

Your community’s aggregation program provides you the opportunity to save money on your electric bill. These savings are possible through governmental aggregation, a community purchasing program where community officials bring together citizens to gain group buying power for the purchase of electricity from a retail electric generation provider certified by the Public Utilities Commission of Ohio.

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., has been selected to provide you with savings on your electric generation. As a current participant in the program, this is your opportunity to extend your savings. **There is no cost for enrollment, you will not be charged a switching fee, and you do not need to do anything to participate.** Please see the enclosed FAQs for more information.

By participating in this aggregation program, you will receive exclusive low pricing on your electric generation. The chart below shows the details of this program:

The West Chester Township program was approved by voters in your community in November 2005.

Your Electric Utility	Price	Term End Date	Opt Out Deadline	Early Termination Fee
Duke Energy Ohio	5.24¢ per kWh	December 2013	May XX, 2013	\$0

If you are a new member of the program, you will see your electric savings from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community’s electric governmental aggregation program. If you do not want to participate in this savings program, you have until the opt out deadline to return the attached “opt-out” form. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates, terms and conditions that apply to other customers served by your utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program. If you leave the program at any other time, you could be subject to the early termination fee listed above from FirstEnergy Solutions.

Your electric utility will continue to maintain the system that delivers power to your home – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included. The only thing you’ll notice is savings.

If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. Please do not call your community with aggregation program questions.

Sincerely,

*Judith C. Boyko, West Chester Township Administrator and FirstEnergy Solutions*

P.S. To receive these savings, **you should not respond.** Return the opt-out form only if you do not want to participate in your community’s electric governmental aggregation program.

**OPT-OUT FORM – RESIDENTIAL ELECTRIC GOVERNMENTAL AGGREGATION PROGRAM**

<b>Option 1: Do nothing and save.</b> If you want to participate in this program and save, you do not need to return this form. **FirstEnergy Solutions Corp. - Residential & Small Commercial Terms and Conditions**

These Terms and Conditions together with the enrollment information are your agreement for electric generation service with FirstEnergy Solutions Corp. ("FES") if you choose to remain in the community aggregation program by not "opting-out" or exercising the right of rescission. Please keep a copy of this agreement for your records.

FES is certified by the Public Utilities Commission of Ohio ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, FES will supply the electric generation to your Electric Distribution Utility ("EDU") based on your usage. Your EDU then distributes or delivers the electricity to you. FES sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

**DEFINITIONS:**

**Generation Service** – The production of electricity.

**Transmission Service** – Moving high voltage electricity from a generation facility to the distribution lines of an EDU.

**Distribution Service** – Physical delivery of electricity to customers by EDU.

**RIGHT OF RESCISSION** – If you do not opt-out and are enrolled to receive generation service from FES, your EDU will send you a confirmation letter. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section 4928.141 of the Ohio Revised Code unless you choose an alternate supplier of electricity.

**TERMS AND CONDITIONS OF SERVICE**

- 1. Eligibility.** Only Residential Customer accounts not enrolled in the Percentage of Income Plan Program (PIPP) and small commercial customers with a peak demand below 100 KW are eligible for this offer from FES. FES reserves the right to refuse enrollment to any customer with an outstanding balance.
- 2. Basic Service Prices.** During the term of this Contract, you agree to pay FES for a total combined Transmission, Generation, and Generation Related Charges. You will be billed at the fixed price per KWh per billing month, as specified in the opt-out notification. Your Price to Compare consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES.  
In addition to FES' charges, you will be charged by your EDU for distribution and various other charges. FES reserves the right to unilaterally modify this billing format in the event the EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the Price to Compare.
- 3. Length of Agreement.** As a part of your community's program, your service from FES will commence with the next available meter reading and after processing of the enrollment by your EDU, and will continue for the term as specified in the opt-out notification, ending on the meter read for the last month of service.
- 4. Billing.** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. FES does not offer budget billing. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges. Further, your failure to pay EDU charges may result in your electric service being disconnected in accordance with the EDU tariff.
- 5. Penalties, Fees and Exceptions.** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.
- 6. Cancellation/Termination Provisions.** If this agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. *Should you cancel service with FES and return to standard service offer with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.*
- 7. Customer Consent and Information Release Authorization.** By choosing not to opt-out of your community's aggregation program, you understand and agree to the terms and conditions of this Agreement with

FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7 day rescission period and subsequent acceptance of the enrollment by your EDU.

- 8. Contract Expiration.** At least every three years, you will be given the opportunity to opt-out of your community's aggregation program. You are responsible for arranging for your electric supply upon termination of this Contract.
- 9. Dispute Procedures.** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8AM – 5PM EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320. Our web address is [www.firstenergysolutions.com](http://www.firstenergysolutions.com). - 10. Miscellaneous.** You have the right to request from FES, twice within a 12 month period, up to 24 months of payment history, without charge.

FES will not release your Social Security number and/or account number(s) without your written consent.

FES' environmental disclosure statement is available for viewing on our website – [www.firstenergysolutions.com](http://www.firstenergysolutions.com). You agree that FES will make the required quarterly updates to the statement electronically on our website. We will also provide the information upon request.

FES may assign its rights to another, including any successor, in accordance with the rules and regulations of the PUCO.

FES assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service. In the event of a power outage, you should contact your local EDU.

Customer is responsible for providing FES with accurate account information. If said information is incorrect, FES reserves the right to reprice the applicable account(s) or terminate the agreement.

FES reserves the right to return any customer to the EDU if the customer's rate code is changed and the account is no longer eligible for this program.

- 11. Warranty.** FES warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.
