RE: McClure Communications; Letter of Compliance, Case No. 10-2387-TP-COI; 12-1123-TP-ACE (via electronic filing)

Dear Ms. McCauley:

Pursuant to Ordering paragraph 1 of Public Utilities Commission of Ohio's March 20, 2013 Entry in the above-referenced matter, McClure Communications Corporation ("MCC") submits this Letter affirming its compliance with 47 C.F.R. §51.911, *inter alia* requiring competitive local exchange carriers to set intrastate terminating switched exchange access rates no higher than the carrier's corresponding interstate rates no later than July 1, 2013.

MCC's Ohio intrastate switched access rates are set at parity to its corresponding interstate rates, as set forth in the Company's Intrastate Switched Access Tariff - P.U.C.O. No. 2 submitted in Case No.12-1123-TP-ACE. Accordingly, MCC's July 1, 2013 switched access rate amendments are already in compliance with the requirements of PUCO Case No. 10-2387-TP-COI.

Should any questions arise regarding this filing, please contact the undersigned at 610-928-3944 or via email to gzing@ptd.net.

Sincerely,

Cc: McClure Communications (via e-mail)
