Effective June 1 the Basic Telephone Residential Rate will increase \$4 from \$10 to \$14. The business rate will also increase from \$10.95 to \$15.

Packages for 350 Minute Long Distance, 700 Minute Long Distance, and Unlimited Long Distance that include unlimited local calling and several popular features will not increase remaining at \$29.95, \$34.95 and \$39.95 respectively.

Effective June 1 the monthly Basic Cable TV charge will increase from \$46.99 to \$51.99. The Expanded Package monthly rate will increase from \$11 to \$14.

The Triple Play Package that includes local phone, basic cable and 3MB Internet service will not change, remaining at \$104.99.

Internet Package prices will decrease \$10 per month effective June 1 and we will be adding a 10 MB package. A surcharge for data exceeding certain amounts by package will be instituted. This surcharge would have affected only 12 users since the 1st of the year; and had those users elected a larger package only three would have been affected and not every month. If you have any questions or concerns about this surcharge, please contact our office to discuss your particular situation. To check your data usage login to www.bright.net, click on User Utilities, and Bandwidth Usage at any time to view.

Your Directors believe that they have developed a program that will reduce the impact of the FCC mandated telephone increase and the increased Cable TV programming costs. For those who do see an increase, remember that any additional profits are allocated by way of Capital Credits each year based on total patronage with the cooperative.
