Re: Case No. 10-2387-TP-COI – Compliance with FCC ICC/USF Order

Dear Ms. McCauley,

MCC Telephony of the Midwest, LLC (“MCC” or the “Company”), by counsel, submits this letter to confirm the Company’s compliance with the access rate reduction requirements of the Federal Communications Commission’s (“FCC”) November 2011 ICC/USF Order (FCC 11-261). MCC’s Ohio intrastate access tariff mirrors the rates of the incumbent in its operating territory. The incumbent’s intrastate tariff, in turn, mirrors its interstate rates to which MCC’s own interstate rates are benchmarked. The result is that MCC’s Ohio intrastate switched access rates are at parity with its interstate rates for equivalent services. Consequently, no additional tariff revisions need to be made by the Company at this time to comply with the FCC’s access charge reform deadline for CLECs, as stated in 47 C.F.R. § 51.911.

If there are any questions regarding this letter or the Company’s access rates, please contact me at 202-342-8819 or via email at wbrantl@kelleydrye.com.

Sincerely,

Winifred Brantl

Counsel for MCC Telephony of the Midwest, LLC
