RE: Mountain Communications, Inc.  
Letter of Compliance with FCC ICC/USF Order  
Case No. 10-2387-TP-COI; Docket No. 90-9357-TP-TRF

Dear Ms. McCauley:

Pursuant to the Public Utilities Commission of Ohio's March 20, 2013 Entry in the above-referenced matter, Mountain Communications, Inc. ("Mountain") submits this Letter affirming its compliance with 47 C.F.R. §51.911, requiring competitive local exchange carriers to set intrastate terminating switched access rates no higher than the carrier's corresponding interstate rates by July 1, 2013. Mountain's intrastate tariff mirrors the rates of the incumbent in its operating territory. The incumbent's intrastate tariff, in turn, mirrors its interstate rates to which Mountain's own interstate rates are benchmarked, resulting in Mountain's Ohio intrastate switched access rates being at parity with its interstate rates for equivalent services. No additional tariff revisions are required to comply with the FCC's access charge reform deadline, as stated in 47 C.F.R. §51.911.

Should you have any questions, please feel free to contact me.

Sincerely,

/s/ Becky Heggelund
