BY  
THE FEDERAL EXECUTIVE AGENCIES**

---

The Federal Executive Agencies ("FEA") hereby moves the Public Utilities Commission of Ohio ("PUCO") for a protective order regarding information asserted to be confidential by the Dayton Power and Light Company ("DP&L").<sup>1</sup> As part of discovery in this proceeding, DP&L provided information to FEA, subject to a protective agreement, and DP&L asserts that this information constitutes trade secret information under Ohio law.

---

<sup>1</sup> This Motion is filed pursuant to Ohio Adm. Code 4901-1-02(E), 4901-1-12 and 4901-1-24(D).

This is to certify that the images appearing are an  
accurate and complete reproduction of a case file  
document delivered in the regular course of business  
Technician Am Date Processed 5/20/13

FEA hereby requests that, in accordance with Ohio Adm. Code. 4901-1-02(E), the PUCO issue such order as is necessary to protect the undisclosed (redacted) portions of the Federal Executive Agencies final brief. Subject to FEA's rights under the protective agreement, FEA is filing the final brief under seal, and is also filing a public version that shows all information DP&L does not claim to be confidential.

By filing the instant Motion, FEA does not concede that the information constitutes trade secret information. However, FEA acknowledges that it has obtained this information pursuant to a protective agreement with DP&L that provides for such information to be treated as confidential and protected (subject to FEA's right under the protective agreement to initiate a process for the PUCO to rule whether the information deserves confidential treatment under Ohio law).

The grounds for this Motion are more fully described in the accompanying Memorandum in Support.

Respectfully submitted,

**MEMORANDUM IN SUPPORT**

---

FEA files this Motion for Protective Order (“Motion”) contemporaneously with the filing of the FEA final brief. In filing this Motion, FEA does not concede that the information in the final brief is trade secret information pursuant to R.C. 1333.61(D) and does not concede that the information is deserving of protection from public revelation under Ohio Adm. Code 4901-1-24(D).

FEA understands that DP&L considers the undisclosed (redacted) information to be confidential and deserving of the protection of trade secret information as defined in R.C. 1333.61(D). FEA’s understanding is based on claims by DP&L that the information

(1) derives economic value, actual or potential, from not being known to, and not being readily ascertainable by proper means by others, and (2) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.<sup>2</sup> Under the assertions made by DP&L, at this time, confidential treatment of the redacted information in the final brief would be appropriate, subject to FEA's rights under its protective agreement with DP&L to initiate a process to determine whether the information should be protected.

In addition, FEA is filing a public version of the final brief so that all information DP&L does not claim to be confidential is accessible for the public's review. The public version does not contain information that was asserted by DP&L to be confidential.

For the foregoing reasons and subject to the foregoing reservations of rights, this Motion should be granted at this time.
