Notice of Public Informational Meeting for Proposed Major Utility Facility (Wind Farm)

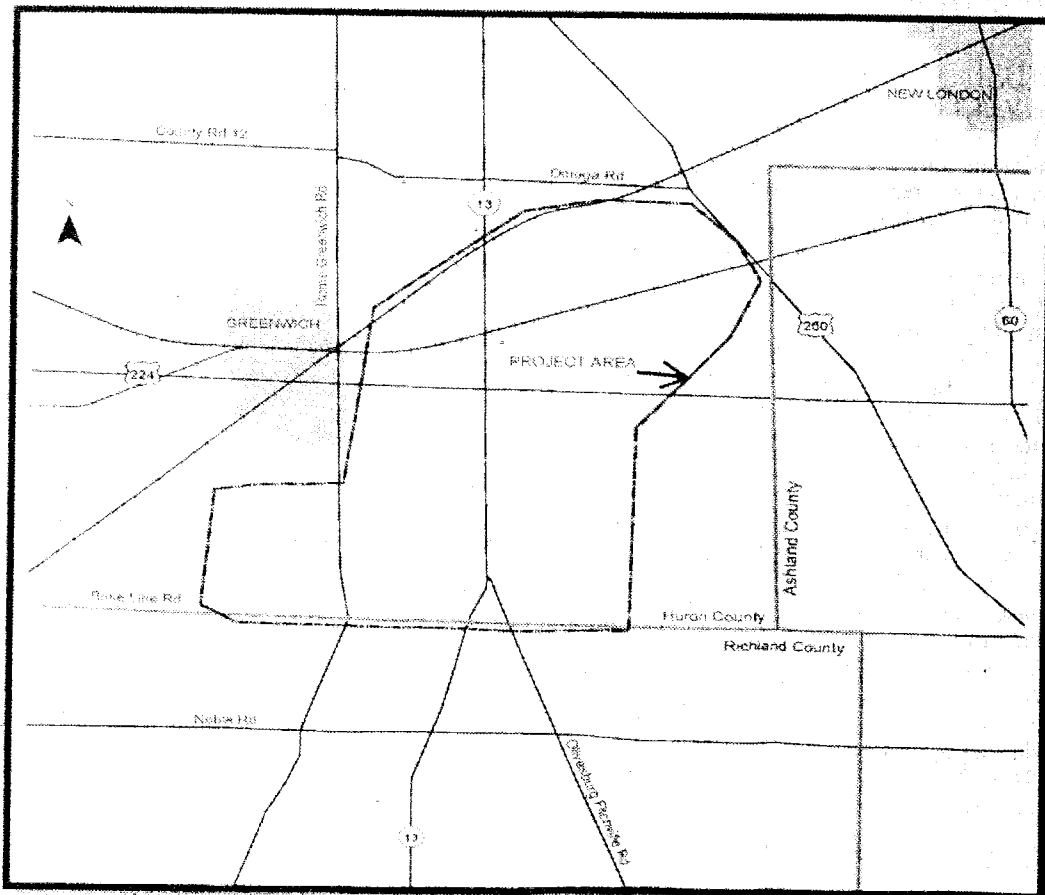

6011 Greenwich Windpark, LLC, a wholly owned subsidiary of Windlab Developments USA, Ltd. schedules May 22, 2013 Public Informational Meeting to outline plans for its wind farm project in Huron County.

6011 Greenwich Windpark, LLC, invites residents of Greenwich Township, Huron County and other interested persons to attend a public informational meeting regarding plans to build a wind farm project. The project will consist of approximately 25 wind turbines, with a generating capacity of approximately 2.4 megawatts (MWs) each. The total project generating capacity is estimated to be 60 MWs. The project will include associated infrastructure such as access roads, electrical collector system, operations maintenance facilities and one substation. The wind project will be spread across approximately 4,600 acres of leased land in Greenwich Township in Huron County.

This wind farm will help the State further its goal of building a portfolio of renewable energy projects.

6011 Greenwich Windpark, LLC anticipates filing its application with the Ohio Power Siting Board in early summer of 2013. Construction is estimated to begin by the end of 2013, resulting in commercial operations in the summer/fall of 2014.

The public meeting will take place from **6:00 p.m. to 7:30 p.m. on Wednesday, May 22, 2013**, at the **South Central High School**, which is located at **3305 Greenwich Angling Road, Greenwich, Ohio 44837**. Attendees will be able to visit informational stations highlighting various aspects of the project. Company representatives will be available to respond to inquiries regarding the information presented. If you have questions, you may call 734-335-6219.
