As recommended by Tanowa Troupe, because of difficulties associated with uploading affidavit documents in the Commission's system, Blue Flame Energy, LLC is requesting a thirty day extension of the due date for filing its annual report for CRES Aggregator/Broker Certificate Number 12-561E(1). Please note that Blue Flame has filed its annual report for its CRNGS Aggregator/Broker Certificate; however, the system would not permit it to properly upload the necessary documents for its CRES annual report.
