Re: Motion for Certain Waivers, Case No. 13-0990-EL-BGN

Dear Honorable Greta See:

On April 19, 2013, 6011 Greenwich Windpark, LLC (Applicant) filed a motion requesting the following waivers on an expedited basis:

1. From providing an extensive site selection study to the extent that Applicant is not able to describe all the specific information listed in the site selection criteria as set forth in Ohio Adm. Code 4906-17-04(A);
2. From providing a map of vegetative cover as set forth in Ohio Adm. Code 4906-17-05(A)(3)(g) and instead allowing the Applicant to provide a general narrative description of the vegetative cover that may be disturbed during construction;
3. From certain requirements relating to cross-sectional views and test borings and maps as set forth in Ohio Adm. Code 4906-17-05(A)(4) and instead permitting the Applicant to submit the appropriate test borings prior to construction; and
4. From providing grade elevations around the turbine pedestals and a map showing modifications in grade elevations during construction as set forth in Ohio Adm. Code 4906-17-05(B)(2)(h) and instead allowing the Applicant to submit the proposed pedestal grade elevations and contour grade elevations when the construction drawings are submitted.

The Staff of the Ohio Power Siting Board (Staff) does not object to the requested waiver, but reserves the right to require information from the Applicant in areas covered by the requested waiver if Staff determines it to be necessary during the course of the investigation. The Staff also reserves the right to investigate and contest all other issues presented in the application.
