**MOTION OF THE APPLICANT,
THE DAYTON POWER AND LIGHT COMPANY,
TO MODIFY THE SCHEDULING ORDER**

Pursuant to Rules 4901-1-12 and 4901-1-13 of the Ohio Administrative Code, the Dayton Power and Light Company (“DP&L”) moves the Public Utilities Commission of Ohio (“Commission”) for an order granting an extension of the deadlines set forth in the Attorney Examiner’s April 17, 2013 Entry. Given that the deadline for the parties to file objections is June 18, 2013, DP&L also requests an expedited ruling in this matter pursuant to Ohio Adm. Code 4901-1-12(C). Commission Staff and all parties who have moved to intervene thus far have indicated they do not oppose this motion to reset the schedule, nor do they oppose an expedited ruling on this motion.

A technical conference took place on May 21, 2013, followed immediately by a settlement conference. Since that time, the parties have been engaged in settlement discussions, and are exploring opportunities to resolve issues in this case by way of settlement that would dispense with the need for a hearing. In light of these continuing discussions, good cause exists to extend the deadlines in the case as proposed below. Generally, DP&L seeks a one month extension on the deadlines set forth in the Attorney Examiner’s April 17, 2013 Entry. DP&L proposes the following procedural schedule:

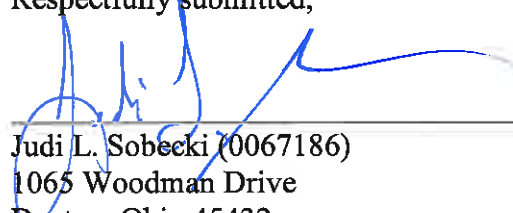

Motion to intervene

June 18, 2013 (no change)

Deadline for filing objections	July 18, 2013
Intervenor testimony	August 30, 2013
Staff testimony	September 6, 2013
DP&L testimony	September 13, 2013
Hearing commences	September 26, 2013

For the foregoing reasons, good cause exists to modify the procedural schedule in this case as set forth above in order to allow the parties to focus on continuing settlement discussions.

Respectfully submitted,
