RE: DP&L/Honda of America Mfg.

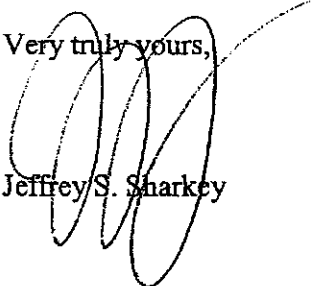

Dear Mr. LaFleur:

This letter confirms that The Dayton Power and Light Company ("DP&L") agrees to accept 30 days prior notice of Honda's intent to return to DP&L Standard Offer Service. Specifically, DP&L's Tariff Sheet G9 - Competitive Retail Generation Service requires customers who intend to return to DP&L Standard Offer Service to provide a minimum of 60 days prior notice if such notice is to occur between November 1 and April 30. DP&L agrees to allow Honda a one-time extension to this notice requirement, and will allow Honda to return to DP&L Standard Offer Service with a minimum of 30 days prior notice without incurring the penalty described in Tariff Sheet G9.

DP&L would prefer that it not be inundated with similar requests for extensions, and Howard Petricoff confirmed that Honda would agree to keep the extension confidential.

Please feel free to contact me if you have any questions or concerns about this extension.

Very truly yours,

Jeffrey S. Sharkey
