SERVICE QUALITY ANALYSIS DIVISION

Dear Authorities, in this matter,

Thank you for taking into consideration the contents of this letter.

There are many reasons why the 498 exchange should be toll free to the Cambridge, OH exchanges.

First this is Guersney County's, county seat. Many activities take place in Cambridge, Ohio.

Much shopping is done there. I like to grocery shop in Cambridge. There are many interesting shops in downtown Cambridge, not to mention the many banks.

Also all my pharmacy needs are met in Cambridge.

Yes, it would be very good business sense to make the 498 telephone exchange toll free to the Cambridge, OH exchanges.

I appreciate all the consideration taken on this matter.

Sincerely,

Linda V. Varner
