ENTRY

The Commission finds:

- (1) On March 14, 2013, Lynne Gwynn (complainant) filed a complaint against The Cleveland Electric Illuminating Company (CEI or respondent), alleging that the cutting down of trees in the complainant's backyard in January 2013, resulted in damages to the complainant's driveway, and that the respondent should be held responsible for compensating the complainant for such damages.
- (2) On April 3, 2013, the respondent filed its answer, denying, for want of knowledge, most of the complainant's substantive allegations and setting forth affirmative defenses.
- (3) On June 11, 2013, the parties filed a joint motion to dismiss the complaint with prejudice, stating that the parties have reached a settlement in this proceeding.
- (4) The Commission finds that the parties' joint motion to dismiss with prejudice is reasonable and should be granted. Accordingly, the complaint should be dismissed.

It is, therefore,

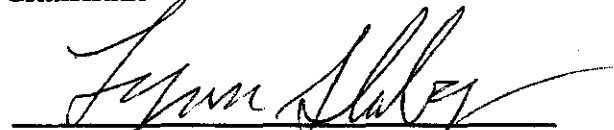

ORDERED, That this complaint be dismissed with prejudice and closed of record.  
It is further,

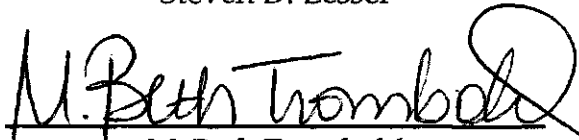

ORDERED, That a copy of this entry be served upon all parties and interested persons of record.
