RE: Case Number 96-899-TP-ALT

Dear Ms. Crockron:

Attached is Cincinnati Bell Telephone's (CBT's) tariff filing to reduce the rates of the 2-way DID channels that are found in CBT's Prime and Trunk Advantage Tariffs. The decrease is being made to the recurring month-to-month rate and the recurring rates associated with the 36 and 60 month term contracts. Both the measured and the flat 2-way DID channel rates will be decreased.

Pursuant to Section VI.F.7. of CBT's Commitment 2000 Plan, Case No. 96-899-TP-ALT, this filing is scheduled to become effective at the time that CBT publicly files the price changes. Attached are the tariff pages bearing the 96-899-TP-ALT case number in order to implement the price changes. All of the terms necessary to change prices on existing services as detailed in 96-899-TP-ALT have been met.

In accordance with Case No. 90-5013-TP-TRF and Case No. 96-899-TP-ALT, CBT is forwarding for filing ten copies of the tariff pages indicated below, bearing issue and effective dates of January 11, 2000.
