RE: *In the Matter of the Review of the Non-Market-Based Services Rider (NMB Rider) contained in the Tariffs of Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company, Case No. 13-812-EL-RDR*

Dear Docketing Division:

Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company (collectively, "Companies") have reviewed the Staff Report filed on August 2, 2013, in the above referenced matter, which recommends that "beginning in 2014, and every year thereafter, the application should continue to be filed on May 1, however, the updated rates for Rider NMB should become effective on July 1 as opposed to June 1" (Staff Report, paragraph 4). The Companies advise the Commission that they do not oppose the Staff's recommended change in the effective date of updated rates for Rider NMB from June 1 of each year to July 1 of each year, beginning in 2014, recognizing that the existing Rider NMB tariff language would need to be revised to reflect the new effective date as part of the Companies' next Rider NMB update filing, and that the Rider NMB rates currently in effect would remain in effect until June 30, 2014 instead of May 31, 2014.

Sincerely,

A handwritten signature in dark ink, appearing to read "Eileen M. Mikkelsen".
